In the Matter of the Borough
of Watchung for a Judgment
of Compliance of its Third
Round Housing Element and
Fair Share Plan

: SUPERIOR COURT OF NEW JERSEY
: LAW DIVISION: SOMERSET COUNTY
: Docket No.: L-902-15

: Civil Action

: COMPLAINT FOR
: DECLARATORY JUDGMENT

The Borough of Watchung ("Borough") by way of Complaint for
Declaratory Judgment in accordance with In the Matter of the
Adoption of N.J.A.C. 5:96, 221 N.J. 1 (2015) ("Decision")
states:

COUNT ONE FOR JUDGMENT OF COMPLIANCE

1. The Borough is a municipal corporation of the State
of New Jersey.

2. The Borough has been diligent in its efforts to
fulfill its constitutional obligation to provide realistic
opportunities for low and moderate income housing as set forth
in So. Burlington Cty. N.A.A.C.P. v. Mount Laurel Tp., 92 N.J.
158 (1983) and its progeny ("Mount Laurel"), and the Fair
Housing Act, N.J.S.A. 52:27D-301 et seq. ("FHA").

3. On September 26, 1988, the Borough received Substantive Certification from the Council on Affordable Housing ("COAH") for the Borough's First Round fair share obligation under Mount Laurel and the FHA.

4. The Borough's First Round Substantive Certification obligation was 132 units and included inclusionary zoning for 60 affordable units, a 9 unit rehabilitation program, 6 rental bonus credits and a 57 unit Regional Contribution Agreement with the Town of Phillipsburg.

5. On July 1, 1998, the Borough received Substantive Certification from COAH for the Borough's Second Round obligation under Mount Laurel and the FHA.

6. The Borough's Second Round Substantive Certification obligation was 206 units, subject to a Vacant Land Adjustment ("VAL") establishing the Borough's Realistic Development Potential at 169 units. The VLA reduced the Borough's obligation by 37 units from the original COAH calculation of 206 units. These 37 units became Unmet Need.

7. The Borough's Second Round Substantive Certification obligation was met except for 19 units. The Borough's Third Round Housing Element and Fair Share Plan ("Third Round Plan") provided for the construction of these 19 units as part of a planned 100% affordable family rental development on municipal property.

8. The Borough's First and Second Rounds cumulative obligation of 206 units was met as follows:

First and Second Round Obligation	206
Realistic Development Potential after Vacant Land Adjustment	169

The 169 obligation met as follows:

a. Johnston Drive Group Homes	3
Group Homes (Rental bonus)	3
b. Villa Dominico Age-Restricted for Sale Units	8
c. Regional Contribution Agreement to Town of Phillipsburg	57
d. Kings Crossing (now AvalonBay Communities) Inclusionary Development	40
Inclusionary Development (Rental bonus)	<u>39</u>
Total existing credits	150 (including 42 bonus credits)
Proposed Municipal Development	<u>19</u>
Total	169

9. The Planning Board, on December 2, 2008, adopted the Borough's Third Round Plan ("Third Round Plan") to meet the Borough's Third Round fair share obligation under Mount Laurel and the FHA.

10. The Borough Council, on December 11, 2008, adopted a Resolution endorsing the Third Round Plan and authorized the

submission of a Petition for Third Round Substantive Certification to COAH.

11. On December 30, 2008, the Borough submitted the Petition for Third Round Substantive Certification.

12. On February 9, 2009, COAH declared the Borough's Petition for Third Round Substantive Certification complete.

13. On July 20, 2010, after mediation, the Borough adopted an Amended Third Round HEFSP which included a proposed Affordable Housing Overlay Zone to address the Unmet Need. The 2010 Amended Third Round HEFSP was filed as a re-petition with COAH on September 26, 2011. On January 26, 2012, Watchung published notice of the repetition; on April 5, 2012, Local Planning Services (substitute for COAH during effective period of Reorganization Plan No. 001-2011) acknowledged the Borough's re-petition and stated that at the end of the 45-day no objections were received.

14. Attached as Exhibit A is a true copy of the 2010 Amended Third Round HEFSP.

15. Attached as Exhibit B is a true copy of a letter from Local Planning Services (substitute for COAH during effective period of Reorganization Plan No.001-2011), dated April 5, 2012.

16. The Borough is prepared to supplement the Third Round Plan, if necessary, to comply with the Borough's constitutional obligation to provide for the realistic opportunity for the

development of its fair share of low and moderate income housing consistent with all credits, adjustments, including physical and environmental factors.

17. The Borough is working diligently to determine its fair share obligation under Mount Laurel. To that end, the Borough retained the services of an expert to assist the Borough in calculating the extent of its Third Round fair share obligation.

18. In accordance with the Decision, the Borough seeks a determination declaring that the Third Round Plan, as it is or as may be supplemented, meets the Borough's constitutional obligation under Mount Laurel.

19. During the period that the Courts of New Jersey are reviewing whether the Borough met its constitutional obligation, the Borough is entitled immunity from suit by any party or entity, including any claim for builder's remedy.

20. Once the Courts of New Jersey declare that the Borough's Third Round Plan satisfies the Borough's Mount Laurel obligation, the Borough is entitled to further repose and immunity from litigation challenging the Third Round Plan, including any claim for builder's remedy for the duration of the adopted and approved Third Round Plan, which the Decision held at least until June 30, 2025.

21. In accordance with the Decision, those parties that are to be noticed of this action and others that have requested notice shall be provided notice and the filed pleadings; those parties that the Borough has determined may be interested will be noticed of the pendency of these proceedings.

WHEREFORE, the Borough requests judgment declaring that:

- a. The Borough be granted a Judgment of Compliance;
- b. The Third Round Plan meets the Borough's constitutional obligation under Mount Laurel and the FHA;
- c. The Borough is entitled to immunity and repose from litigation challenging any aspect of its Third Round Plan, including any claim for builder's remedy at least until June 30, 2025, or as otherwise directed by the Courts of New Jersey; and
- d. Such other relief as is proper and just.

**COUNT TWO APPROVING DEVELOPMENT
FEE ORDINANCE AND SPENDING PLAN**

22. The Borough repeats and relies upon each and every allegation set forth in Paragraphs 1-21 herein.

23. The Third Round Plan includes a Development Fee Ordinance ("Fee Ordinance") as well as a Spending Plan in accordance with the FHA.

24. On August 28, 1997, COAH approved the Borough's original Fee Ordinance.

25. Attached as Exhibit D is a true copy of COAH's letter, dated September 10, 1997, and the original Fee Ordinance.

26. On June 19, 2014, the Borough adopted a revised Fee Ordinance consistent with N.J.S.A. 40:55D-8.1, authorizing a non-residential development fee of 2.5%.

27. Because the revised Fee Ordinance only increased the percentage, COAH approval was not required.

28. Attached as Exhibit E is a true copy of the revised Fee Ordinance.

29. The Decision removed all aspects of implementation of the FHA from COAH.

30. In order to continue to meet the provisions of the Third Round Plan, the Fee Ordinance and the Spending Plan may need to be amended and approved in accordance with the Decision.

31. In the absence of COAH, this determination must be made by the Courts of New Jersey.

WHEREFORE, the Borough requests judgment declaring that:

a. The Fee Ordinance and Spending Plan meet the Borough's requirements under the FHA and further fulfill the Borough's constitutional obligation under Mount Laurel and the FHA; and

b. Such other relief as is just and proper.

**COUNT THREE PRESERVING THE MUNICIPAL
HOUSING TRUST FUNDS OF THE BOROUGH**

32. The Borough repeats and relies upon each and every allegation set forth in Paragraphs 1-31 herein.

33. The FHA provided, in part, that the funds collected must be committed within four (4) years of collection or be forfeited to the New Jersey Affordable Housing Trust Fund.

34. COAH failed to adopt regulations defining "commit for expend" of funds, and the circumstances under which the funds could be forfeited.

35. In In Re Failure of the Council on Affordable Housing to Adopt Trust Fund Commitment Regulations, 440 N.J. Super. 220 (App. Div. 2015), the Appellate Division ruled that in the absence of appropriate direction from COAH, the determination of the use of a municipality's collected funds is part of this action.

36. The Fee Ordinance and Spending Plan prepared by the Borough are components of the Third Round Plan that will enable the Borough to meet its constitutional obligation under Mount Laurel and the FHA.

37. A forfeiture of those funds to the State of New Jersey Affordable Housing Trust Fund is contrary to the interests of the Borough, the citizens of the State of New Jersey, and would impede the ability of the Borough to implement the Third Round Plan and comply with its constitutional obligations under Mount Laurel and the FHA.

WHEREFORE, the Borough requests judgment declaring that:

- a. The Fee Ordinance is approved;

- b. The Spending Plan is approved;
- c. Any development fees collected by the Borough not be forfeited to the New Jersey Affordable Housing Trust Fund;
- d. Any development fees collected by the Borough are permitted to be used in accordance with the Spending Plan; and
- e. Such other relief as is just and proper.

INTRODUCTION

According to the Fair Housing Act of 1985 and Mount Laurel I (Burlington County N.A.A.C.P. v. Borough of Mount Laurel, 67 N.J. 151 (1975)) and Mount Laurel II (South Burlington County N.A.A.C.P. v. Mount Laurel, 92, N.J. 158 (1983)) decisions, a Housing Plan Element must be designed to address the municipal fair share for low and moderate income housing as determined by the New Jersey Council on Affordable Housing ("COAH"), which is charged with determining need and creating the standards by which the Act is implemented.

This is the Borough of Watchung's second Housing Element and Fair Share Plan ("HEFSP") under COAH's revised Third Round methodology for the period 2004 to 2018. In December 2005, Watchung adopted a HEFSP and petitioned COAH for substantive certification. COAH has substantially redesigned the process that provides affordable housing opportunities in New Jersey municipalities. During the First and Second Rounds ("Prior Round"), using a predetermined formula, COAH allocated a specific number of units for which a municipality had to provide a realistic opportunity. The allocated number was based on housing and employment conditions in the municipality, any remaining Prior Round unit obligation that was not constructed, or otherwise committed for and deficient housing units occupied by low and moderate income housing units, known as the rehabilitation share.

The Third Round methodology, with the final version adopted by COAH on September 22, 2008, requires that a municipality's fair share consist of three elements:

1. Rehabilitation share;
2. Any remaining Prior Round obligation that was not provided for;
3. Growth Share
 - For every four market-rate residential units that receive a certificate of occupancy, one new affordable housing unit must be created.
 - For every sixteen jobs based upon receipt of certificates of occupancy arising from construction of new or expansion of existing non-residential structures, one affordable unit must be created using COAH formulae relating built non-residential space to number of employees.

MUNICIPAL SUMMARY

The Borough of Watchung contains about 6 square miles or 3,840 acres located in the northeastern corner of Somerset County, where it adjoins Union County. Within Somerset County, Watchung is bordered by Warren Township to the west and North Plainfield Borough and Green Brook Borough to the south. Watchung is also bordered by Union County, including Berkeley Heights Township to the north and Scotch Plains Township and the City of Plainfield to the east. The Borough is also bordered to the north and south by the Watchung Mountains. Mountain Boulevard and Valley Road traverse the entire Borough from southwest to northeast corner. Interstate 78 crosses through the northern corner and U.S. Route 22 through the southeast corner of the Borough.

Borough of Watchung

Watchung is a developed suburban municipality with little vacant land remaining for new development. This is consistent with the 2001 State Development and Redevelopment Plan designation of nearly the entire Borough as PA2 Suburban Planning Area. A limited area of the Borough along U.S. Route 22 is designated PA1 Metropolitan Planning Area, which contains the Watchung Square regional shopping center and other more intensive non-residential uses. Environmental constraints affect selective areas in the Borough. Areas containing steep slopes of 15 percent or greater are located along the Watchung Mountains at the north and south of the Borough. Wetlands are primarily located in the floodplains along the Stony Brook and Green Brook stream corridors.

The Borough of Watchung first received substantive certification from COAH on September 26, 1988 to address a 132 unit obligation under the First Round. The 1988 certified plan included inclusionary zoning for 60 affordable units, a 9 unit rehabilitation program, 6 rental bonus credits and a 57 unit regional contribution agreement ("RCA") with the Town of Phillipsburg (Warren County). Watchung then received Second Round substantive certification on July 1, 1998 for its HEFSP, which was subsequently amended on May 3, 2000. As part of the Second Round petition, COAH approved a reduction of Watchung's Prior Round obligation for 169 affordable units resulting from a Vacant Land Adjustment. Watchung was also granted an extension of its Second Round certified plan through June 8, 2005, which was subsequently extended by COAH to December 31, 2008 for all municipalities. Watchung also filed a petition for Third Round certification on December 16, 2005 but its HEFSP was not certified by COAH. Watchung adopted a revised HEFSP on December 2, 2008 and petitioned COAH for Third Round substantive certification under COAH's revised rules (N.J.A.C. 5:96 & 5:97) on December 30, 2008. The Borough of Watchung is now amending its HEFSP to provide an Affordable Housing Overlay Zone to address the Borough's 37-unit unmet need and other potential growth share opportunities; and also to incorporate revisions to the calculations of the growth share projection, as a result of COAH review of the Plan.

For the Third Round, COAH has determined that Watchung has a rehabilitation obligation of 12 units, a 206 unit Prior Round obligation and a Third Round growth share obligation of 73 units, based upon COAH estimated housing growth of 131 housing units and employment growth of 749 jobs. This is a combined total of 291 units.

With the previously approved 1998 Vacant Land Adjustment, the Prior Round obligation is reduced to 169 units. As permitted by COAH's revised rules (N.J.A.C. 5:97-5.6), Watchung is also requesting an adjustment of household and employment growth projections, which would reduce the Third Round obligation to 42 affordable units. Additionally, an exterior conditions survey was performed by the Borough Construction Official, which would reduce the rehabilitation share to 2 units. In total, these adjustments would produce a total obligation of 213 affordable units to be addressed in the Third Round.

GOAL

It is the overall goal of Watchung's HEFSP to provide the planning context in which access to low- and moderate-income housing can be provided in accordance with the requirements of the Fair Housing Act and the laws of the State of New Jersey.

CONTENT of HOUSING ELEMENT

The Municipal Land Use Law ("MLUL") requires that "the housing element be designed to achieve the goal of access to affordable housing to meet present and prospective housing needs, with particular attention to low and moderate income housing." The Fair Housing Act (N.J.S.A. 52:27D-310) requires a Housing Element to contain at least the following items:

1. An inventory of the municipality's housing stock by age, condition, purchase or rental value, occupancy characteristics, and type, including the number of units affordable to low and moderate income households and substandard housing capable of being rehabilitated.
2. A projection of the municipality's housing stock, including the probable future construction of low and moderate income housing, for the next ten years, taking into account, but not necessarily limited to, construction permits issued, approvals of applications for development and probable residential development of lands;
3. An analysis of the municipality's demographic characteristics, including but not necessarily limited to, household size, income level and age;
4. An analysis of the existing jobs and employment characteristics of the municipality, and a projection of the probable future jobs and employment characteristics of the municipality;
5. A determination of the municipality's present and prospective fair share for low- and moderate-income housing and its capacity to accommodate its present and prospective housing needs, including its fair share for low and moderate income housing; and
6. A consideration of the land that is most appropriate for construction of low and moderate-income housing and of the existing structures most appropriate for conversion to, or rehabilitation for, low- and moderate-income housing, including a consideration of lands of developers who have expressed a commitment to provide low and moderate income housing.

In addition to the requirements of the Fair Housing Act set forth above, COAH regulations (N.J.A.C. 5:97-2.3(a)) require the HEFSP to include the following:

1. Household projection in Appendix F(2) of COAH's Third Round Rules
2. Employment projection in Appendix F(2) of COAH's Third Round Rules
3. Prior Round obligation in Appendix C of COAH's Third Round Rules
4. Rehabilitation share in Appendix B of COAH's Third Round Rules
5. Projected growth share in accordance with N.J.A.C. 5:97-2.4
6. Copy of most recently adopted municipal zoning ordinance
7. Copy of most up to date tax maps

I. HOUSING CHARACTERISTICS

TOTAL HOUSING STOCK

The Borough's housing stock includes single-family detached units, single-family attached units, multi-family dwelling units and mobile homes for a total of 2,155 housing units. Consistent with the suburban nature of the community, the majority of the housing stock consists of owner-occupied single-family detached housing. Including the 47 single-family attached dwelling units, single-family dwelling units account for 1,797 units or 83.4 percent of the Borough's total housing stock. Only 349 units or 16.1 percent of the Borough's housing stock are multi-family units containing two or more units, the majority of which are within Kings Crossing (Crystal Ridge Club), an inclusionary housing development located along Route 22. Additionally, there are 9 mobile homes in the Borough, accounting for 0.4 percent of the total housing stock. As of the 2000 U.S. Census, there were 2,098 occupied housing units in Watchung; 57 units were classified as vacant. Of the 2,098 occupied housing units in the Borough, 1,701 units, or 81.1 percent were owner occupied and 397 units, or 18.9 percent were rentals.

PURCHASE AND RENTAL VALUE OF HOUSING STOCK

Of the 1,701 owner-occupied units, the 2000 U.S. Census surveyed 1,635 owner-occupied dwelling units for additional information, including housing values. Of those 1,635 units, only 0.7 percent, or 11 dwellings, fell into the \$99,000 or less bracket, which qualifies as affordable housing. The median value of owner-occupied housing in Watchung Borough was \$429,400.

CONDITION OF HOUSING STOCK

The Census does not classify housing units as standard or substandard, but it can provide an estimate of substandard housing units that are occupied by low and moderate income households. COAH uses the Census to determine which units are overcrowded, with more than one person living per room, and dilapidated – lacking complete plumbing and/or kitchen facilities. COAH computes a municipality’s rehabilitation share by adding together the number of overcrowded and dilapidated units and then multiplying that sum by the municipality’s regional low/moderate-income deterioration share. Subtracted from this result is any rehabilitation share credit.

Year Structure Built

COAH’s new methodology for calculating a municipality’s rehabilitation obligation has made one significant change from the methods presented in the original Third Round Rules. Housing units built in 1949 or earlier are now flagged instead of units built in 1939 or earlier. Research has demonstrated that units built 50 or more years ago are much more likely to be in substandard condition. Included in the rehabilitation calculation are overcrowded units and dilapidated housing. Overcrowded units are defined by the U.S. Department of Housing and Urban Development as those with more than one person living per room. Finally, COAH includes dilapidated housing – lacking complete plumbing and/or kitchen facilities as reported by the 2000 U.S. Census.

Approximately 17.6 percent (or 379 units) of Watchung's housing stock was constructed before 1950. COAH has cited an obligation of 12 rehabilitation units for the Borough, reflecting the relatively good condition of these older homes. The decade between 1960 and 1969 produced the Borough's largest amount of housing units (494 units).

AGE OF HOUSING STOCK

More than 1.00 persons per room is an index of overcrowding. The majority of the occupied housing units in Watchung Borough have 1.00 occupants per room or less, with only 1.6 percent having more.

Plumbing Facilities

Inadequate plumbing facilities are indicated by either a lack of exclusive use of plumbing or incomplete plumbing facilities. The 2000 U.S. Census indicates that only 8 units or 0.4 percent of the total housing stock within Watchung Borough lacks complete plumbing facilities.

Kitchen Facilities

Inadequate kitchen facilities are indicated by shared use of a kitchen or the lack of a sink with piped water, a stove or a refrigerator. The 2000 U.S. Census indicates that 0 units within Watchung Borough lacks complete kitchen facilities.

Heating Fuel

Fuel sources such as coal, coke, wood or no fuel for heating are classified as inadequate heating. A total of 12 units or 0.6 percent of the Borough's total occupied housing units may have inadequate heating, since they are cited as using wood as the primary fuel source for heat.

Most of the Census indicators available at the municipal level indicate a sound housing stock. Approximately 98.4 percent of the units are occupied by 1 person per room or less. The vast majority of the housing stock has complete plumbing facilities (99.6 percent), telephone service (100.0 percent) and complete kitchen facilities (100.0 percent) and most of the units are heated with standard heating fuels (98.1 percent).

II. POPULATION DEMOGRAPHICS

POPULATION

Based upon the 2000 U.S. Census data, Watchung Borough had a net population increase of 323 persons or 6 percent over the last 20 years. Between 1980 and 1990, there was actually a 3.4 percent decline in population with a 9.8 percent increase again in 2000. This wavering population is indicative that the Borough is nearing or has already reached full buildout. During the last ten years, the Kings Crossing (Crystal Ridge Club) development was completed, which added rental apartments, including affordable family units in the Borough.

With limited growth between 1990 and 2000, Watchung Borough's population grew at a much slower rate than Somerset County and but higher than the State on the whole. Watchung Borough saw a population increase of 9.8 percent based upon the U.S. Census data for 1990 and 2000. Somerset County had an increase of 23.8 percent and the State had an increase of 8.9 percent in total population during the same time period.

By 2030, the North Jersey Transportation Planning Authority (NJTPA) projects that Watchung's population will increase to 6,350, a net gain of 740 persons or an average gain of 25 persons annually. Since the NJTPA projections are based on 1990 and 2000 U.S. Census figures for population by age, sex and race, and fertility and mortality rates, and does not account for actual local conditions such as land availability, the projections are much higher than the Borough anticipates.

III. EMPLOYMENT DEMOGRAPHICS

ECONOMIC DEVELOPMENT

Watchung Borough is primarily residential but also contain intensive commercial uses along the Route 22 corridor in the southern portion of the Borough, including the regional-oriented retail uses of Watchung Square and limited non-residential uses along Mountain Avenue. With limited vacant land available, future development will primarily take place in the form of private redevelopment or revitalization.

According to New Jersey Department of Labor and Workforce Development (NJDLWD) data from 2003, approximately 291 businesses make their home in Watchung. Of these businesses, the two largest categories are in retail (22 percent) and professional and technical services (18 percent).

EMPLOYMENT PROJECTIONS

According to the NJTPA, as of 2000, there were 8,400 jobs in Watchung Borough. By 2030, the NJTPA estimates 11,090 total jobs in Watchung, a net increase of 2,690 jobs or an average of 90 new jobs annually. However, since these projections do not account for actual local conditions such as lack of vacant land or infrastructure limitations, the Borough anticipates far fewer jobs than the NJTPA projects.

This is the same trend within the Somerset County except that Watchung has higher percentages of its class employed civilian population in these occupations.

PLACE OF WORK

The 2000 U.S. Census provides statistics on place of work in relation to the state, county and municipality of residence. Of the 2,599 employed persons residing in Watchung Borough in 2000, 413 persons or 16.2 percent were employed in town, leaving 2,129 Watchung residents that worked outside of the municipality. About 15.7 percent of Watchung's employed residents worked in other Somerset County municipalities.

Despite its proximity to Interstate 78, a prominent access road to New York City, only 6.8 percent of the working population commuted to work in another state. Conversely, given its adjacency to urban centers in other counties, it is no surprise that over two-thirds of the population commute to work outside of Somerset County.

IV. PROJECTED GROWTH SHARE**MEASURING THE ACTUAL GROWTH SHARE OBLIGATION**

"Growth Share" is the affordable housing obligation generated in Watchung by both residential and non-residential development between January 1, 2004 and December 31, 2018. Watchung's actual growth share obligation is composed of two components: residential and non-residential growth. The actual residential growth share obligation is the total number of market-rate residential certificates of occupancy issued within the Borough between January 1, 2004 and December 31, 2018. For every four market-rate residential units issued a certificate of occupancy from January 1, 2004 to December 31, 2018, one

additional unit affordable to low and moderate income households must be provided in a manner approved by COAH. Also for every sixteen new jobs added to the municipality from January 1, 2004 to December 31, 2018, one unit affordable to low and moderate income households must be provided. Appendix D of the Third Round Rules provides the ratios for non-residential square footage generating one affordable unit and jobs per 1,000 square feet for each use group. The following chart summarizes the non-residential growth share calculation ratios:

HOUSING PROJECTIONS

COAH requires each municipality to project the municipality's housing stock growth through the end of 2018, based on the household growth projections provided in N.J.A.C. 5:97 Appendix F. The Borough of Watchung's household growth is projected at a net growth of 131 households during the Third Round period, based on 2,477 estimated households in 2004 and 2,608 allocated households at the end of 2018, as provided in Appendix F. If constructed as projected, these 131 housing units would generate a Third Round obligation of 26.2 affordable housing units.

EMPLOYMENT PROJECTIONS

COAH also requires each municipality to determine the non-residential component of its growth share obligation based on the employment growth projections provided in N.J.A.C. 5:97 Appendix F. The Borough of Watchung's employment growth is projected at a net gain of 749 jobs during the Third Round period, based on 5,855 estimated jobs in 2004 and 6,604 allocated jobs at the end of 2018, as provided in Appendix F. If non-residential space is constructed as projected, these 749 jobs would generate a Third Round obligation of 46.8 affordable housing units.

Although COAH projects 131 new housing units and 749 new jobs in Watchung during the Third Round with a Growth Share obligation ("GSO") of 73 affordable units, the Borough may request an adjustment of its household and employment growth projections based on an analysis of vacant land capacity, pursuant to N.J.A.C. 5:97-5.6, provided that the result is at least 10 percent less than COAH's projections. As detailed in the Adjustments section of the Fair Share Plan and 'Worksheet C' in the Appendix, the Borough's adjusted GSO is 42 affordable units. This is based on COs issued from 2004 to 2008, approved development that has not yet been issued a CO as of 2009, and potential new development on remaining vacant properties.

V. CAPACITY FOR FAIR SHARE

A determination of Watchung's present and probable fair share for affordable housing, along with the capacity to accommodate those units, is required by COAH. Based on COAH's allocated household and employment growth, Watchung is projected to generate an obligation of 73 affordable housing units between 2004 and 2018. However, based on an analysis of Watchung's vacant land, Watchung must plan for 42 total units, which is 42 percent less than the COAH projected obligation of 73 units. With limited vacant land for new construction, it is expected that construction will be through private commercial redevelopment or residential tear-downs.

ZONING ANALYSIS

Although the Borough has seen a moderate amount of development in recent years, the Borough anticipates that development will be limited in the future because of limited remaining vacant land availability and the status of the marketplace. As a built-out community, Watchung's zoning is primarily a

derivative of existing development patterns. Any future development that occurs is expected to be in the form of redevelopment or revitalization of existing development.

ANTICIPATED LAND USE PATTERNS

The pattern of development is not expected to change in Watchung. The Borough is almost completely built-out and the development pattern is set. Private redevelopment and revitalization may occur but will not affect the overall suburban residential character of the Borough.

AVAILABILITY OF PUBLIC WATER AND SEWER INFRASTRUCTURE

As documented by the Borough Engineer, approximately 80 percent of the Borough is currently serviced by public sewer, which is treated by the Middlesex County Utilities Authority. The remainder of the Borough is on septic systems. It is anticipated that the Borough will be fully sewerred within the next 8 to 10 years. The Borough is also within the New Jersey American Water Company franchise area, which provides water to the Borough.

CONSTRAINTS ON DEVELOPMENT

The primary constraint on development in Watchung is the lack of vacant land. The majority of the remaining vacant lands are encumbered with environmental features, such as wetlands or steep slopes, rendering them unbuildable.

State Development and Redevelopment Plan

According to COAH regulations (N.J.A.C. 5:97-3.13.b.1), "Sites that are located in Planning Areas 1 or 2 or located within a designated center or located in an existing sewer service area are the preferred location for municipalities to address their fair share obligation." The Borough is within the PA2 Suburban Planning Area, however, a small portion of the Borough along Route 22 is designated as PA1 Metropolitan. The sites addressing the Borough's housing obligation are located within PA1 or PA2 and therefore meet these requirements.

CONTENTS of FAIR SHARE PLAN

The following information is required by COAH as part of the Fair Share Plan (N.J.A.C. 5:97-3.2):

1. Description of existing credits intended to satisfy the obligation;
2. Description of any adjustments to any portion of the fair share obligation, which shall include all information and documentation required;
3. Description of mechanisms that will be used to meet the new total obligation;
4. Draft an implementation schedule that sets forth a detailed timetable for units to be provided:
 - Documentation for mechanisms to address the Prior Round obligation, rehabilitation share and growth share obligation up to the first plan review shall be submitted at the time of petition
 - Documentation for zoning for inclusionary development, accessory apartment program, or market to affordable program shall be submitted at the time of petition and implemented within 45 days of certification;
5. If seeking vacant land adjustment or household and employment growth projection adjustment shall submit all the information required, unless Municipality demonstrates that the mechanisms do not rely upon the availability of vacant land or municipality reserves scarce resources;
6. Include draft and/or adopted ordinances necessary for implementation;
7. Demonstrate that existing zoning or planned changes provide adequate capacity to accommodate affordable housing;
8. Demonstrate existing planned water/waste water treatment capacity is sufficient to accommodate all proposed mechanisms; and
9. Draft a spending plan if the municipality maintains or intends to establish an affordable housing trust fund, which includes:
 - Projection of revenues anticipated from development fees
 - Projection of revenues from other sources
 - Description of administrative mechanism that will be used to collect and distribute revenues
 - Description of use of all affordable housing trust funds
 - Schedule for expenditure of all housing trust funds
 - Schedule for creation or rehabilitation of housing units
 - If supporting or sponsoring public sector or non-profit construction of housing, a pro-forma statement of the anticipated costs and revenues associated with the development
 - Plan to spend trust fund balance as of date of its Third Round petition within four years of the council's approval of spending plan
 - Method through which the municipality will address any expected or unexpected shortfall if revenues aren't sufficient
 - Description of anticipated use of excess affordable housing trust funds.

In adopting its housing element, a municipality may provide for its fair share of low and moderate income housing by means of any technique or combination of techniques which provide a realistic opportunity for the provision of the fair share. The Borough proposes to utilize the following techniques to address its fair share obligation:

1. Reactivation of the Watchung Borough housing rehabilitation program;
2. Housing credits for existing affordable units:
 - Life Skills Resource Center (Group Home)
3. Housing Credits for inclusionary housing developments already constructed as part of Prior Round obligation:
 - Kings Crossing (Crystal Ridge Club) apartments
 - Villa Dominico age-restricted complex
4. Accessory apartments program
5. Municipal sponsored 100 percent affordable family housing
6. Affordable Housing Overlay Zone to address 37-unit unmet need

The Watchung Borough Fair Share Plan describes these strategies.

FAIR SHARE PLAN

I. FAIR SHARE OBLIGATION

REGIONAL INCOME LIMITS

Dwelling units are affordable to low and moderate-income households if the maximum sales price or rental cost is within their ability to pay such costs, based on a specific formula. COAH provides income limits based upon the median gross household income of the COAH housing region in which the household is located. A moderate-income household is one with a gross household income equal to or more than 50 percent, but less than 80 percent, of the median gross regional household income. A low-income household is one with a gross household income equal to 50 percent or less of the median gross regional household income. Watchung Borough is located in COAH Region 3.

Using the 2008 weighted regional income limits adopted by COAH, a four-person Region median household income is estimated at \$96,700. A moderate-income four-person household could earn a maximum of \$77,360 (80 percent of regional median) and a four person low-income household could earn a maximum of \$48,350 (50 percent of regional median). Income levels for one to five person households as of 2008 are given below.

2008 REGIONAL INCOME LIMITS FOR REGION 3 MUNICIPALITIES					
	1 person	2 person	3 person	4 person	5 person
Median	\$67,690	\$77,360	\$87,030	\$96,700	\$104,436
Moderate	\$54,152	\$61,888	\$69,624	\$77,360	\$83,549
Low	\$33,845	\$38,680	\$43,515	\$48,350	\$52,218

COAH REQUIREMENTS

COAH has specific requirements on unit size distribution, affordable unit sales price and rental costs, and bedroom mix, among other regulations, which are provided in N.J.A.C. 5:80-26.1 et seq. In each affordable development, at least 50 percent of the restricted units within each bedroom distribution must be low income and the remainder moderate income. For affordable developments that are not age-restricted, not more than 20 percent of the units may be efficiency or one-bedroom units, at least 30 percent shall be two-bedroom units, and at least 20 percent shall be three-bedroom units. Age-restricted affordable units can provide a modified bedroom distribution. A minimum of 13 percent of the units must be available to very low income families.

The monthly cost of owner occupied units, which includes mortgage (principal and interest), taxes, insurance and homeowner's or condominium association fees, may not exceed 28 percent of gross monthly household income. In addition, moderate-income sales units must be available for at least three different prices and low-income sales units available for at least two different prices for each bedroom type.

Under COAH regulations, rents may not exceed 30 percent of the eligible monthly income of the appropriate household size. There must be rents established for each bedroom type having both low and moderate income units provided that 13 percent must be affordable to families earning no more than 35 percent of median income and the average rents must not exceed 52 percent of the median household income of the region.

WATCHUNG'S THIRD ROUND OBLIGATION

Watchung's Fair Share Plan describes the projects, strategies and funding sources with which the Borough proposes to address its affordable housing obligation, as it has been set by COAH. The Borough's Third Round HEFSP addresses a growth share obligation of 42 units. The three components that must be addressed by this plan are:

- Rehabilitation Share:
12 units
- Prior Round Obligation (Cumulative 1987-1999):
206 units; adjusted to 169 RDP
- Prior Round Unmet Need:
37 units
- Third Round (2004-2018):
73 units; adjusted to 42 units

REHABILITATION SHARE

COAH has determined the Borough share for rehabilitation units is 12. This number is calculated by COAH utilizing 2000 U.S. Census reported characteristics, including over-crowded units, older housing units built before 1939, and units with incomplete plumbing facilities and incomplete kitchen facilities.

PRIOR ROUND OBLIGATION

The Borough has a Prior Round obligation of 169 units to address in its Third Round Plan. The Prior Round includes the period between 1987 and 1999. Additionally, there are minimum and maximum requirements regarding the development of rentals and age-restricted units for the Prior Round obligation (PRO), which are listed below:

- Rehabilitation Units
Covers period from 2000 and later, minimum hard costs of \$10,000, which includes major systems
- Minimum Rental Requirement
 $25 \text{ percent (Realistic Development Potential)} = .25 (169) = 43$
- Maximum Age-Restricted Housing Units Under Prior Round With RCAs And Vacant Land Adjustment
 $25 \text{ percent (RDP - total RCAs)} = 0.25 (169 - 57) = 28$

25 percent (Unmet Need - RCA) = Excluded since Certified Prior Round Plan

- Maximum Age-Restricted Rental Requirement
50 percent (Max. Age-Restricted Units) = $0.5(28) = 14$
- Maximum Bonus credits
43 credits

UNMET NEED

Unmet need is the difference between the prior round affordable housing obligation and the realistic development potential (RDP) as determined pursuant to N.J.A.C. 5:97-5.2. As part of its Second Round substantive certification, COAH approved a Vacant Land Adjustment, reducing the Prior Round obligation from 206 affordable units to a realistic development potential of 169 affordable units. This generates an unmet need of 37 affordable units for Watchung Borough. The Borough must implement one or more of the following mechanisms, consistent with N.J.A.C. 5:97-5.3(b), in an effort to address the unmet need:

- Zoning amendments that permit apartments or accessory apartments;
- A market to affordable program;
- Overlay zoning requiring inclusionary development;
- A redevelopment area that includes affordable housing;
- The adoption of a development fee ordinance and a plan for the use of development fees; and/or
- Age-restricted affordable housing units.

GROWTH SHARE OBLIGATION

Based upon lack of remaining vacant land, Watchung has determined that its growth share obligation is less than the COAH estimate of 73 housing units. COAH Worksheet C is located in the Appendix which documents the projected growth adjustment reduction. COAH's Rules require that 50 percent of the growth share obligation (GSO) for Watchung be family housing units and non-age-restricted units. Additionally, there are other restrictions, which are listed below:

- Minimum Family Unit Requirement
50 percent (GSO) = $0.5(42) = 21$
- Minimum Rental Requirement
25 percent (GSO) = $0.25(42) = 11$
- *Maximum Age-Restricted Requirement*
25 percent (GSO) = $0.25(42) = 10$
- Maximum Age-Restricted Rental Requirement
12.5 percent (GSO) = $0.125(42) = 5$
- Maximum Bonus Credits
25 percent (GSO) after meeting minimum rental threshold requirements = $0.25(42) = 10$
 - 1 for 1 credit for family rental housing

- 1 for 1 for permanent supportive housing
- 1 for 1 for very low income (VLI) units above minimum 13 percent threshold
- 0.25 for each bedroom in group housing (supportive and special needs housing that is not considered permanent supportive housing)
- 0.33 for each unit in transit oriented development or redevelopment area with limitations

II. ADJUSTMENTS

VACANT LAND ADJUSTMENT

As part of its Second Round substantive certification, COAH approved a Vacant Land Adjustment, reducing the Prior Round obligation to 169 affordable units. COAH's revised rules state that a vacant land that was granted shall continue to be valid provided the municipality has implemented all of the terms of substantive certification or judgment of compliance. If the municipality has failed to implement the terms of the substantive certification or judgment of compliance, COAH may reevaluate the vacant land adjustment. Watchung has implemented the majority of the terms of the Second Round substantive certification, except that the Ness property along Mountain Boulevard, zoned for age-restricted housing, has recently been purchased for open space and recreation and is no longer an option as an affordable housing site. This site was slated to accommodate 18 age-restricted affordable units towards the Prior Round obligation. In 2005, the Borough proposed in its Third Round Plan a privately-owned site, however, this site is has been developed and is no longer available. In lieu of this site, the Borough is seeking to construct 100 percent affordable housing on another Borough-owned property located on East Drive. The Borough is continuing to implement its accessory apartment program as required through its Prior Round substantive certification.

ADJUSTED REHABILITATION SHARE

COAH has established a 12-unit rehabilitation obligation for Watchung. As permitted by N.J.A.C. 5:97-6.2(a), the Borough Construction Official has conducted an exterior conditions survey to locate properties suitable for rehabilitation, which resulted in 2 units that are suitable for rehabilitation. The Borough requests that COAH review the results of the data collected to reduce the rehabilitation share for Watchung.

ADJUSTED GROWTH PROJECTIONS

As permitted at N.J.A.C. 5:97-5.6, the Borough of Watchung has conducted a vacant land analysis in support of an adjustment of household and employment growth projections. COAH permits a downward adjustment of the projected growth share based on available remaining vacant land within the municipality, provided that the results of the adjusted projections are at least than 10 percent less than COAH's projected obligation of 73 units.

According to the procedures set forth by COAH's revised rules, actual residential and non-residential growth from Certificates of Occupancy from 2004 to 2008 were determined to be 42 housing units (not including the 27 excluded units of Villa Dominico) and 144,273 square feet of non-residential space

(resulting in 249 jobs). This actual development that occurred has generated an obligation of 23.9 units. In addition, the 35 housing units that have been approved but not yet constructed and the 16 jobs associated with the approved but not constructed car wash would generate an obligation of 8 affordable units. Watchung must plan for a minimum growth share obligation of 31.9 affordable housing units generated by this actual and approved development.

An analysis of vacant and developable sites, not including sites that were previously included in the Vacant Land Inventory as contributing to the realistic development potential (RDP), yielded 8.66 acres of developable (not constrained) land, which at a presumptive density of 6 units per acre in PA2 would produce a total of 52 projected units with an obligation of 10.4 affordable units. When added back to the minimum obligation resulting from actual and approved development, the total Third Round obligation is 42.3 units. Because the resulting affordable units represent a 40 percent reduction in the 73-unit projected obligation from COAH, the Third Round growth share obligation is permitted to be reduced. Watchung will plan for 42 affordable housing units. Additional documentation on the Vacant Land Inventory required, including "COAH Workbook C", is located in the Appendix.

Calculation of Adjustment of Household and Employment Growth Projections					
	Residential		Non-Residential		Total Obligation
	Units	Obligation	Jobs	Obligation	
Actual Cos Issued (2004 - present)	42.0	8.4	248.0	15.5	23.9
+ Approved Development not yet constructed	35.0	7.0	16.0	1.0	8.0
= Minimum Growth Share Projection	77.0	15.4	264.0	16.5	31.9
+ Potential Development from Vacant Land	52.0	10.4	0.0	0.0	10.4
= Adjusted Growth Share Projection	129.0	25.8	264.0	16.5	42.3

III. EXISTING CREDITS

REHABILITATION CREDITS

COAH has established a 12 unit rehabilitation obligation for Watchung. The Borough plans to reinstate its Housing Rehabilitation Program that was implemented as part of the Borough's First and Second Round plans to meet their obligation. The Borough Construction Official has conducted an exterior conditions survey to locate properties suitable for rehabilitation, which resulted in 2 units that are suitable for rehabilitation. This documentation will be provided to COAH for review.

SUPPORTIVE AND SPECIAL NEEDS HOUSING CREDITS (GROUP HOMES)

One group home is currently in operation in Watchung Borough - the Life Skills Resource Center, located on Johnston Drive. The Life Skills Resource Center is a group home for the developmentally disabled and provides 3 bedrooms occupied by low-income residents, which qualifies for 3 credits for Watchung.

AGE-RESTRICTED DEVELOPMENT

The Villa Dominico age-restricted development, located on Stirling Road, is approved for 42 age-restricted housing units, including 8 affordable. The project is partially constructed, with 15 units yet to receive Certificates of Occupancy. The affordable units have been constructed and sold to eligible low and moderate income households.

INCLUSIONARY DEVELOPMENT

The Kings Crossing (Crystal Ridge Club) apartment complex, located off Route 22 and East Drive, is included in the certified Second Round Housing Plan for Watchung. The site was originally planned to produce 40 for-sale and 20 rental family units, however, in 2000, COAH granted an amendment that changed the yield on this site to 40 family rental units with 40 rental bonus credits.

REGIONAL CONTRIBUTION AGREEMENT

As part of the Prior Round, Watchung entered into a regional contribution agreement ("RCA") with the Town of Phillipsburg, Warren County to transfer 57 units. In exchange for rehabilitating or constructing these 57 affordable units, Phillipsburg received \$22,000 per unit for a total of \$1,254,000 from the Borough of Watchung.

Existing Credits Summary	
Johnston Drive Group Homes	+ 3 credits
Group Homes (Rental bonus)	+ 3 bonus credits
Villa Dominico Age-Restricted Units	+ 8 credits
RCA to Phillipsburg	+ 57 units
Kings Crossing (Crystal Ridge Club) Inclusionary Development	+ 40 credits
Inclusionary Development (Rental bonus)	+ 39 bonus credits
Total Existing Credits	= 150 (including 42 bonus credits)

IV. PROPOSED MECHANISMS TO ADDRESS THIRD ROUND OBLIGATION

100 PERCENT AFFORDABLE HOUSING DEVELOPMENT

The Borough has identified a property, known as Block 57.01, Lot 6.01, along East Drive, which it plans to rezone for inclusionary development to produce 100 percent affordable family rental multi-family units. The property is an irregularly shaped 6.86-acre parcel currently owned by the Borough of Watchung. The site is located at the cul-de-sac at the end of East Drive and contains approximately 1.88 acres of steep slopes. The site is located entirely in the PA2 Suburban Planning Area. The Borough anticipates that up to 46 units may be developed on this property. At least 13 percent of these units will be marketed to very low income households. It is expected that this project will begin implementation in 2011 with construction completed in the first half of 2013 and all units receiving Certificates of Occupancy by the end of 2013. The Borough plans to utilize 19 credits from this development to fulfill the remaining Prior Round Obligation

with the remaining credits towards the Third Round growth share obligation. (See Appendix for Site Location map and Draft Zoning Ordinance.)

ACCESSORY APARTMENT PROGRAM

The Watchung Borough Accessory Apartment Program has been implemented and is planned to meet 5 units of Watchung's projected growth share obligation. The Borough adopted an Accessory Apartment Ordinance in 1998 with an amendment adopted in 2006 to expand the number of eligible properties. The Borough has sufficient funds in its Housing Trust Fund to subsidize these 5 units, which are expected to begin in 2009. Units will be rented to low income households. Additional funding will be provided through the affordability assistance program to make units available for very low income households. The Borough will utilize development fees collected to fund the program.

AFFORDABLE HOUSING OVERLAY ZONE

The Borough of Watchung plans to adopt an Affordable Housing Overlay Zone, accordance with N.J.A.C. 5:97-5.3(b)3, in order to provide an opportunity for this 37-unit unmet need to be fulfilled. The proposed Affordable Housing Overlay Zone would encompass the 5-acre Liccardi Ford Tract (Block 64.02, Lot 3) and a 13.7-acre portion of the Mount Saint Mary's Academy Tract (Block 64.02, Lot 5) along the northerly side of US Route 22. The Affordable Housing Overlay Zone would encompass a total of 18.7 acres of land.

The purpose of the Affordable Housing Overlay Zone is to create a realistic opportunity for the creation of low and moderate-income housing as land becomes available for development or redevelopment. The underlying H-D Highway Development and R-R Rural Single-Family Residential zoning within the Affordable Housing Overlay Zone will remain in effect. Affordable Housing Development will be permitted as a conditional use in the form of garden apartment dwelling units for sale or for rent.

In order to present a financial incentive for inclusionary zoning, in accordance with N.J.A.C. 5:97-6.4, the permitted residential density would be increased above the minimum presumptive density prescribed by COAH (8 units per acre in Planning Area 1 and 6 units per acre in Planning Area 2). A maximum residential density of 14 units per acre will be permitted to incentivize affordable housing instead of the existing commercial uses. COAH permits a maximum presumptive affordable housing set-aside of 25 percent in PA1 or PA2.

An additional rental bonus is needed to incentivize rental units and the set-aside would be reduced to 20 percent, in accordance with N.J.A.C. 5:97-6.4(b)6. A maximum residential density of 18 units per acre will be permitted for rental units.

The 5-acre Liccardi Ford property (Block 64.02, Lot 3) is located along the north side of Route 22, between Mount Saint Mary's Academy and BJ's wholesale store. The property contains 0.5 acres of wetlands and wetlands buffers along the rear and right side property lines, leaving 4.5 acres of unconstrained land, based on NJDEP secondary source data. This site could potentially be redeveloped with 70 for-sale residential

units, of which 17 would be affordable. If the site is developed with rental units, a total of 90 units could be developed, of which 18 would be affordable.

Mount Saint Mary's Academy (MSMA) (Block 64.02, Lot 5) is a 57.5 acre tract located along the north side of Route 22. The property is developed with several school buildings towards the rear of the property. The front is partially developed with a baseball field and tennis courts. A driveway runs through the center of the property, from Route 22 to the school buildings at the rear of the site, bisecting the property. The property contains 18.5 acres of wetlands and buffers along the left and right side property lines, leaving 39 acres of unconstrained land. The southwest portion of the MSMA property could be subdivided by a line parallel to and approximately 900 feet from Route 22. Measured west of the existing driveway, the area would contain a total of 13.7 acres, of which 5.5 acres are shown to be constrained by wetlands and wetland buffers, leaving 8.2 acres of developable land. This area could potentially be developed with 192 for-sale residential units, of which 48 would be affordable. If the site is developed with rental units, a total of 247 units could be developed, of which 50 would be affordable.

If both tracts were to develop or redevelop with affordable housing, as permitted by the Affordable Housing Overlay Zone, a maximum of between 262 units (for sale) and 337 units (for rent) could be developed. This would generate a maximum of between 65 and 68 affordable units, which would satisfy the unmet need of 37 units in the Borough and provide potential opportunities for additional growth share. (See Appendix for Draft Affordable Housing Overlay Zone Map and Draft Zoning Ordinance.)

DRAFT DEVELOPMENT FEE ORDINANCE

EXPLANATION: This Ordinance repeals Ordinance No. OR:97/14 as amended by Ordinance Nos. OR:98/15, OR:00/07 and OR:05/08 and adopts an Affordable Housing Development Fee Ordinance for the Borough of Watchung.

BOROUGH OF WATCHUNG
ORDINANCE No. OR: 08/___

AN ORDINANCE REPEALING ORDINANCE NO. OR:97/14 AS AMENDED BY ORDINANCE NOS. OR:98/15, OR:00/07 and OR:05/08 AND ADOPTING AN AFFORDABLE HOUSING DEVELOPMENT FEE ORDINANCE FOR THE BOROUGH OF WATCHUNG.

BE IT ORDAINED, by the Council of the Borough of Watchung, in the County of Somerset and State of New Jersey, as follows:

Section 1. Ordinance No. OR:97/14 as amended by Ordinance Nos. OR:98/15, OR:00/07 and OR:05/08 is hereby repealed in its entirety and replaced as follows:

Affordable Housing Development Fees

1. Purpose

- a) In Holmdel Builder's Association V. Holmdel Township, 121 N.J. 550 (1990), the New Jersey Supreme Court determined that mandatory development fees are authorized by the Fair Housing Act of 1985 ("Act"), N.J.S.A. 52:27d-301 et seq., and the State Constitution, subject to the Council on Affordable Housing's (COAH's) adoption of rules.
- b) Pursuant to P.L.2008, c.46 section 8 (C. 52:27D-329.2) and the Statewide Non-Residential Development Fee Act (C. 40:55D-8.1 through 8.7), COAH is authorized to adopt and promulgate regulations necessary for the establishment, implementation, review, monitoring and enforcement of municipal affordable housing trust funds and corresponding spending plans. Municipalities that are under the jurisdiction of the Council or court of competent jurisdiction and have a COAH-approved spending plan may retain fees collected from non-residential development.

- c) This Ordinance establishes standards for the collection, maintenance, and expenditure of development fees pursuant to COAH's regulations and in accordance with P.L.2008, c.46, Sections 8 and 32-38. Fees collected pursuant to this Ordinance shall be used for the sole purpose of providing low- and moderate-income housing. This Ordinance shall be interpreted within the framework of COAH's rules on development fees, codified at N.J.A.C. 5:97-8.

2. Basic Requirements

- a) This Ordinance shall not be effective until approved by COAH pursuant to N.J.A.C. 5:96-5.1.
- b) The Borough of Watchung shall not spend development fees until COAH has approved a plan for spending such fees in conformance with N.J.A.C. 5:97-8.10 and N.J.A.C. 5:96-5.3.

3. Definitions

- a) The following terms, as used in this Ordinance, shall have the following meanings:
- i) "**Affordable housing development**" means a development included in the Housing Element and Fair Share Plan, and includes, but is not limited to, an inclusionary development, a municipal construction project or a 100 percent affordable development.
- ii) "**COAH**" or the "**Council**" means the New Jersey Council on Affordable Housing established under the Act which has primary jurisdiction for the administration of housing obligations in accordance with sound regional planning consideration in the State.
- iii) "**Development fee**" means money paid by a developer for the improvement of property as permitted in N.J.A.C. 5:97-8.3.
- iv) "**Developer**" means the legal or beneficial owner or owners of a lot or of any land proposed to be included in a proposed development, including the holder of an option or contract to purchase, or other person having an enforceable proprietary interest in such land.

- v) **"Equalized assessed value"** means the assessed value of a property divided by the current average ratio of assessed to true value for the municipality in which the property is situated, as determined in accordance with sections 1, 5, and 6 of P.L.1973, c.123 (C.54:1-35a through C.54:1-35c).
- vi) **"Green building strategies"** means those strategies that minimize the impact of development on the environment, and enhance the health, safety and well-being of residents by producing durable, low-maintenance, resource-efficient housing while making optimum use of existing infrastructure and community services.

4. Residential Development Fees

a) Imposed fees

- i) Within the Rural Single-Family Residential ("R-R"); Single Family Residential ("R-A") and Single Family Residential ("R-B") districts, residential developers, except for developers of the types of development specifically exempted below, shall pay a fee of one and one-half (1.5%) percent of the equalized assessed value for residential development provided no increased density is permitted.
- ii) When an increase in residential density pursuant to N.J.S.A. 40:55D-70d(5) (known as a "d" variance) has been permitted, developers may be required to pay a development fee of six (6%) percent of the equalized assessed value for each additional unit that may be realized. However, if the zoning on a site has changed during the two (2) year period preceding the filing of such a variance application, the base density for the purposes of calculating the bonus development fee shall be the highest density permitted by right during the two (2) year period preceding the filing of the variance application.

Example: If an approval allows four (4) units to be constructed on a site that was zoned for two (2) units, the fees could equal one (1%) percent of the equalized assessed value on the first two

(2) units; and the specified higher percentage up to six (6%) percent of the equalized assessed value for the two (2) additional units, provided zoning on the site has not changed during the two (2) year period preceding the filing of such a variance application.

b) Eligible exactions, ineligible exactions and exemptions for residential development

Where a site plan approval does not apply, a zoning and/or building permit shall be synonymous with preliminary or final site plan approval for this purpose. iii) Development fees shall be imposed and collected when an existing structure undergoes a change to a more intense use, is demolished and replaced, or is expanded, if the expansion is not otherwise exempt from the development fee requirement. If the calculation required under this section results in a negative number, the non-residential development fee shall be zero.

b) Eligible exactions, ineligible exactions and exemptions for non-residential development

i) The non-residential portion of a mixed-use inclusionary or market rate development shall be subject to the two and one-half (2.5%) percent development fee, unless otherwise exempted below.

pursuant to P.L.2008, c.46 shall be subject to it at such time the basis for the exemption no longer applies, and shall make the payment of the non-residential development fee, in that event, within three years after that event or after the issuance of the final certificate of occupancy of the non-residential development, whichever is later.

- v) If a property which was exempted from the collection of a non-residential development fee thereafter ceases to be exempt from property taxation, the owner of the property shall remit the fees required pursuant to this section within forty-five (45) days of the termination of the property tax exemption. - h) Fifty (50%) percent of the development fee shall be collected at the time of issuance of the building permit. The developer shall be responsible for paying the difference between the fee calculated at building permit and that determined at issuance of certificate of occupancy.

INTRODUCTION

The Borough of Watchung has prepared a Housing Element and Fair Share plan that addresses its regional fair share of the affordable housing need in accordance with the Municipal Land Use Law (N.J.S.A. 40:55D-1 et seq.), the Fair Housing Act (N.J.S.A. 52:27D-301) and the regulations of the Council on Affordable Housing (COAH) (N.J.A.C. 5:97-1 et seq. and N.J.A.C. 5:96-1 et seq.). A development fee ordinance creating a dedicated revenue source for affordable housing was approved by COAH on September 10, 1997 and adopted by the Borough of Watchung on October 9, 1997. The ordinance establishes the Borough of Watchung affordable housing trust fund for which this spending plan is prepared.

As of July 17, 2008, the Borough of Watchung has collected \$1,510,535 in development fees, \$127,740 in interest and expended \$1,153,977, resulting in a balance of \$484,298. These funds shall be spent in accordance with N.J.A.C. 5:97-8.7-8.9 as described in the sections that follow.

From January 1, 2005 through July 17, 2008, the Borough of Watchung collected an additional \$1,638,275 in development fees, payments in lieu of construction, other funds, and/or interest (not accounting for expenditures).

BOROUGH OF WATCHUNG
ORDINANCE No. OR: 08/___

AN ORDINANCE AMENDING THE LAND DEVELOPMENT
ORDINANCE OF THE BOROUGH OF WATCHUNG TO ADDRESS
THE REQUIREMENTS OF THE COUNCIL ON AFFORDABLE
HOUSING REGARDING COMPLIANCE WITH THE BOROUGH'S
AFFORDABLE HOUSING OBLIGATIONS.

BE IT ORDAINED by the Council of the Borough of Watchung, County of Somerset, and State of New Jersey, that the Land Development Ordinance of the Borough of Watchung is hereby amended to include provisions addressing the Borough's constitutional obligation to provide for its fair share of low- and moderate-income housing, consistent with N.J.A.C. 5:97-1, et seq., as may be amended and supplemented, and N.J.A.C. 5:30-26.1, et seq., as may be amended and supplemented, and pursuant to the New Jersey Fair Housing Act of 1985. This Ordinance is intended to provide assurances that low- and moderate-income units ("affordable units") are created with controls on affordability over time and that low- and moderate-income households shall occupy these units. This Ordinance shall apply except where inconsistent with applicable law.

The Borough of Watchung Planning Board adopted a Housing Element and Fair Share Plan pursuant to the Municipal Land Use

Law at N.J.S.A. 40:55D-1, et seq. The Fair Share Plan has been endorsed by the governing body. The Fair Share Plan describes the methods by which the Borough shall address its fair share for low- and moderate-income housing as determined by the Council on Affordable Housing (COAH) and documented in the Housing Element. This Ordinance implements and incorporates the Fair Share Plan and addresses the requirements of N.J.A.C. 5:97-1, et seq., as may be amended and supplemented.

The Borough of Watchung shall file monitoring reports with COAH in accordance with N.J.A.C. 5:96 et seq. regarding the status of the implementation of the Housing Element and Fair Share Plan. Any report filed by the Borough with COAH and any report prepared by COAH in response shall be available to the public at the Borough of Watchung Clerk's office, 15 Mountain Boulevard, Watchung, New Jersey, 07069, at the COAH offices at P.O. Box 813, 101 South Broad Street, Trenton, New Jersey 08625-0813, and on COAH's website.

1. Provide an occupant for each bedroom;
2. Provide children of different sexes with separate bedrooms;

3. Provide separate bedrooms for parents and children; and
4. Prevent more than two persons from occupying a single bedroom.

Section 6. Control Periods for Restricted Ownership Units and Enforcement Mechanisms

1. Control periods for restricted ownership units shall be in accordance with N.J.A.C. 5:80-26.5, as may be amended and supplemented, and each restricted ownership unit shall remain subject to the requirements of this Ordinance for a period of at least thirty (30) years, until the Borough of Watchung takes action to release the unit from such requirements; prior to such action, a restricted ownership unit must remain subject to the requirements of N.J.A.C. 5:80-26.1, as may be amended and supplemented.

2. The affordability control period for a restricted ownership unit shall commence on the date the initial certified household takes title to the unit.

3. Prior to the issuance of the initial certificate of occupancy for a restricted ownership unit and upon each successive sale during the period of restricted ownership, the Administrative Agent shall determine the restricted price for the unit and shall also determine the non-restricted, fair market value of the unit based on either an appraisal or the unit's equalized assessed value without the restrictions in place.

4. At the time of the initial sale of the unit, the initial purchaser shall execute and deliver to the Administrative Agent a recapture note obligating the purchaser (as well as the purchaser's heirs, successors and assigns) to repay, upon the first non-exempt sale after the unit's release from the restrictions set forth in this Ordinance, an amount equal to the difference between the unit's non-restricted fair market value and its restricted price, and the recapture note shall be secured by a recapture lien evidenced by a duly recorded mortgage on the unit.

5. The affordability controls set forth in this Ordinance shall remain in effect despite the entry and enforcement of any judgment of foreclosure with respect to restricted ownership units.

6. A restricted ownership unit shall be required to obtain a Continuing Certificate of Occupancy or a certified statement from the Construction Official stating that the unit meets all Code standards upon the first transfer of title following the removal of the restrictions provided under N.J.A.C. 5:80-26.5(a), as may be amended and supplemented.

Section 7. Price Restrictions for Restricted Ownership Units, Homeowner Association Fees and Resale Prices

3. The master deeds of inclusionary developments shall provide no distinction between the condominium or homeowner association fees and special assessments paid by low- and moderate-income purchasers and those paid by market purchasers.
4. The owners of restricted ownership units may apply to the Administrative Agent to increase the maximum sales price for the unit on the basis of anticipated capital improvements. Eligible capital improvements shall be those that render the unit suitable for a larger household or the addition of a bathroom.

Section 8. Buyer Income Eligibility

1. Buyer income eligibility for restricted ownership units shall be in accordance with N.J.A.C. 5:80-26.1, as may be amended and supplemented, such that low-income ownership units shall be reserved for households with a gross household income less than or equal to 50 percent of median income and moderate-income ownership units shall be reserved for households with a gross household income less than 80 percent of median income.

2. Notwithstanding the foregoing, however, the Administrative Agent may, subject to COAH's approval, permit

moderate-income purchasers to buy low-income units in housing markets determined by COAH to have an insufficient number of eligible low-income purchasers to permit prompt occupancy of the units. All such low-income units to be sold to moderate-income households shall retain the required pricing restrictions for low-income units.

3. A certified household that purchases a restricted ownership unit must occupy it as the certified household's principal residence and shall not lease the unit; provided, however, that the Administrative Agent may permit the owner of a restricted ownership unit, upon application and a showing of hardship, to lease the restricted unit to a certified household for a period not to exceed one year.

4. The Administrative Agent shall certify a household as eligible for a restricted ownership unit when the household is a low-income household or a moderate-income household, as applicable to the unit, and the estimated monthly housing cost for the particular unit (including principal, interest, taxes, homeowner and private mortgage insurance and condominium or homeowner association fees, as applicable) does not exceed 33 percent of the household's eligible monthly income.

Section 9. Limitations on Indebtedness Secured by Ownership Unit; Subordination

1. Prior to incurring any indebtedness to be secured by a restricted ownership unit, the owner shall apply to the Administrative Agent for a determination in writing that the proposed indebtedness complies with the provisions of this Section, and the Administrative Agent shall issue such determination prior to the owner incurring such indebtedness.

2. With the exception of First Purchase Money Mortgages, neither an owner nor a lender shall at any time cause or permit the total indebtedness secured by a restricted ownership unit to exceed 95 percent of the maximum allowable resale price of the unit, as such price is determined by the Administrative Agent in accordance with N.J.A.C. 5:80-26.6(b).

Section 10. Capital Improvements To Ownership Units

1. The owners of restricted ownership units may apply to the Administrative Agent to increase the maximum sales price for the unit on the basis of capital improvements made since the purchase of the unit. Eligible capital improvements shall be those that render the unit suitable for a larger household or that add an additional bathroom. In no event shall the maximum sales price of an improved housing unit exceed the limits of affordability for the larger household.

2. Upon the resale of a restricted ownership unit, all items of property that are permanently affixed to the unit or

were included when the unit was initially restricted (for example, refrigerator, range, washer, dryer, dishwasher, wall-to-wall carpeting) shall be included in the maximum allowable resale price. Other items may be sold to the purchaser at a reasonable price that has been approved by the Administrative Agent at the time of the signing of the agreement to purchase. The purchase of central air conditioning installed subsequent to the initial sale of the unit and not included in the base price may be made a condition of the unit resale provided the price, which shall be subject to 10-year, straight-line depreciation, has been approved by the Administrative Agent. Unless otherwise approved by the Administrative Agent, the purchase of any property other than central air conditioning shall not be made a condition of the unit resale. The owner and the purchaser must personally certify at the time of closing that no unapproved transfer of funds for the purpose of selling and receiving property has taken place at the time of or as a condition of resale.

Section 11. Control Periods for Restricted Rental Units

1. Control periods for restricted rental units shall be in accordance with N.J.A.C. 5:80-26.11, as may be amended and supplemented, and each restricted rental unit shall remain subject to the requirements of this Ordinance for a period of at least 30 years, until the Borough of Watchung takes action to

release the unit from such requirements. Prior to such action, a restricted rental unit must remain subject to the requirements of N.J.A.C. 5:80-26.1, as may be amended and supplemented.

2. Deeds of all real property that include restricted rental units shall contain deed restriction language. The deed restriction shall have priority over all mortgages on the property, and the deed restriction shall be filed by the developer or seller with the records office of the County of Somerset. A copy of the filed document shall be provided to the Administrative Agent within 30 days of the receipt of a Certificate of Occupancy.

3. A restricted rental unit shall remain subject to the affordability controls of this Ordinance despite the occurrence of any of the following events:

- a. Sublease or assignment of the lease of the unit;
- b. Sale or other voluntary transfer of the ownership of the unit; or
- c. The entry and enforcement of any judgment of foreclosure on the property containing the unit.

Section 12. Rent Restrictions for Rental Units; Leases

1. A written lease shall be required for all restricted rental units and tenants shall be responsible for security deposits and the full amount of the rent as stated on the lease. A copy of the current lease for each restricted rental unit shall be provided to the Administrative Agent.

2. No additional fees or charges shall be added to the approved rent (except, in the case of units in an assisted living residence, to cover the customary charges for food and services) without the express written approval of the Administrative Agent.

3. Application fees (including the charge for any credit check) shall not exceed five percent of the monthly rent of the applicable restricted unit and shall be payable to the Administrative Agent to be applied to the costs of administering the controls applicable to the unit as set forth in this Ordinance.

- e. Establishing a program for diverting unlawful rent payments to the municipality's Affordable Housing Trust Fund or other appropriate municipal fund approved by the DCA; and
- f. Creating and publishing a written operating manual, as approved by COAH, setting forth procedures for administering the affordability controls.

7. Additional Responsibilities:

- a. The Administrative Agent shall have the authority to take all actions necessary and appropriate to carry out its responsibilities, hereunder.
- b. The Administrative Agent shall prepare monitoring reports for submission to the Municipal Housing Liaison in time for their submission by the Municipal Housing Liaison to COAH, as required by COAH.
- c. The Administrative Agent shall attend continuing education sessions on affordability controls, compliance monitoring, and affirmative marketing as offered or approved by COAH.

Section 16. Affirmative Marketing Requirements

1. The Borough of Watchung shall adopt by resolution an Affirmative Marketing Plan, that is compliant with N.J.A.C. 5:80-26.15, as may be amended and supplemented.

2. The Affirmative Marketing Plan is a regional marketing strategy designed to attract buyers and/or renters of all majority and minority groups, regardless of race, creed, color, national origin, ancestry, marital or familial status, gender, affectional or sexual orientation, disability, age or number of children to housing units which are being marketed by a developer, sponsor or owner of affordable housing. The Affirmative Marketing Plan is intended to target those potentially eligible persons who are least likely to apply for affordable units in that region. It is a continuing program that

directs marketing activities toward COAH Housing Region 3 and is required to be followed throughout the period of restriction.

3. The Affirmative Marketing Plan shall provide a regional preference for all households that live and/or work in COAH Housing Region 3, comprised of Middlesex, Somerset and Hunterdon Counties.

4. The municipality has the ultimate responsibility for adopting the Affirmative Marketing Plan and for the proper administration of the Affirmative Marketing Program, including initial sales and rentals and resales and rerentals. The Administrative Agent designated by the Borough of Watchung shall implement the Affirmative Marketing Plan to assure the affirmative marketing of all affordable units.

5. In implementing the Affirmative Marketing Plan, the Administrative Agent shall provide a list of counseling services to low- and moderate-income applicants on subjects such as budgeting, credit issues, mortgage qualification, rental lease requirements, and landlord/tenant law.

6. The Affirmative Marketing Plan shall describe the media to be used in advertising and publicizing the availability of housing. In implementing the Affirmative Marketing Plan, the Administrative Agent shall consider the use of language translations where appropriate.

7. The affirmative marketing process for available affordable units shall begin at least four months prior to the expected date of occupancy.

8. Applications for affordable housing shall be available in several locations, including, at a minimum, the County Administration Building and/or the County Library for each county within the housing region; the municipal administration building and the municipal library in the municipality in which the units are located; and the developer's rental office. Applications shall be mailed to prospective applicants upon request.

9. The costs of advertising and affirmative marketing of the affordable units shall be the responsibility of the developer, sponsor or owner.

Section 17. Enforcement of Affordable Housing Regulations

1. Upon the occurrence of a breach of any of the regulations governing the affordable unit by an owner, developer or tenant, the municipality shall have all remedies provided at law or equity, including but not limited to foreclosure, tenant eviction, a requirement for household recertification, acceleration of all sums due under a mortgage, recuperation of any funds from a sale in violation of the regulations, injunctive relief to prevent further violation of the regulations, entry on the premises, and specific performance.

2. After providing written notice of a violation to an owner, developer or tenant of a low- or moderate-income unit and advising the owner, developer or tenant of the penalties for such violations, the municipality may take the following action(s) against the owner, developer or tenant for any violation that remains uncured for a period of 60 days after service of the written notice:

a. The municipality may file a court action pursuant to N.J.S.A. 2A:58-11 alleging a violation or violations of the regulations governing the affordable housing unit. If the owner, developer or tenant is adjudged by the Court to have violated any provision of the regulations governing affordable housing units the owner, developer or tenant shall be subject to one or more of the following penalties, at the discretion of the Court:

- 1) A fine of not more than \$500.00 per day or imprisonment for a period not to exceed 90 days, or both, provided that each and every day that the violation continues or exists shall be considered a separate and specific violation of these provisions and not a continuation of the initial offense;
- 2) In the case of an owner who has rented a low- or moderate-income unit in violation of the regulations governing affordable housing units, payment into the Borough of Watchung Affordable Housing Trust Fund of the gross amount of rent illegally collected;
- 3) In the case of an owner who has rented a low- or moderate-income unit in violation of the regulations governing affordable housing units, payment of an innocent tenant's reasonable relocation costs, as determined by the Court.

b. The municipality may file a court action in the Superior Court seeking a judgment that would result in the termination of the owner's equity or other interest in the unit, in the nature of a mortgage foreclosure. Any such judgment shall be enforceable as if the same were a judgment of default of the First Purchase Money Mortgage and shall constitute a lien against the low- or moderate-income unit.

1) The judgment shall be enforceable, at the option of the municipality, by means of an execution sale by the Sheriff, at which time the low- and moderate-income unit of the violating owner shall be sold at a sale price which is not less than the amount necessary to fully satisfy and pay off any First Purchase Money Mortgage and prior liens and the costs of the enforcement proceedings incurred by the municipality, including attorney's fees. The violating owner shall have his right to possession terminated as well as his title conveyed pursuant to the Sheriff's sale.

2) The proceeds of the Sheriff's sale shall first be applied to satisfy the First Purchase Money Mortgage lien and any prior liens upon the low- and moderate-income unit. The excess, if any, shall be applied to reimburse the municipality for any and all costs and expenses incurred in connection with either the court action resulting in the judgment of violation or the Sheriff's sale. In the event that the proceeds from the Sheriff's sale are insufficient to reimburse the municipality in full as aforesaid, the violating owner shall be personally responsible for the full extent of such deficiency, in addition to any and all costs incurred by the municipality in connection with collecting such deficiency. In the event that a surplus remains after satisfying all of the above, such surplus, if any, shall be placed in escrow by the municipality for the owner and shall be held in such escrow for a maximum period of two years or until such

earlier time as the owner shall make a claim with the municipality for such. Failure of the owner to claim such balance within the two-year period shall automatically result in a forfeiture of such balance to the municipality. Any interest accrued or earned on such balance while being held in escrow shall belong to and shall be paid to the municipality, whether such balance shall be paid to the owner or forfeited to the municipality.

- 3) Foreclosure by the municipality due to violation of the regulations governing affordable housing units shall not extinguish the restrictions of the regulations governing affordable housing units as the same apply to the low- and moderate-income unit. Title shall be conveyed to the purchaser at the Sheriff's sale, subject to the restrictions and provisions of the regulations governing the affordable housing unit. The owner determined to be in violation of the provisions of this plan and from whom title and possession were taken by means of the Sheriff's sale shall not be entitled to any right of redemption.
- 4) If there are no bidders at the Sheriff's sale, or if insufficient amounts are bid to satisfy the First Purchase Money Mortgage and any prior liens, the municipality may acquire title to the low- and moderate-income unit by satisfying the First Purchase Money Mortgage and any prior liens and crediting the violating owner with an amount equal to the difference between the First Purchase Money Mortgage and any prior liens and costs of the enforcement proceedings, including legal fees and the maximum resale price for which the low- and moderate-income unit could have been sold under the terms of the regulations governing affordable housing units. This excess shall be treated in the same manner as the excess which would have been realized from an actual sale as previously described.

- 5) Failure of the low- and moderate-income unit to be either sold at the Sheriff's sale or acquired by the municipality shall obligate the owner to accept an offer to purchase from any qualified purchaser which may be referred to the owner by the municipality, with such offer to purchase being equal to the maximum resale price of the low- and moderate-income unit as permitted by the regulations governing affordable housing units.
- 6) The owner shall remain fully obligated, responsible and liable for complying with the terms and restrictions of governing affordable housing units until such time as title is conveyed from the owner.

Section 18. Appeals

Appeals from all decisions of an Administrative Agent appointed pursuant to this Ordinance shall be filed in writing with the Court unless the Court delegates this responsibility to the Executive Director of COAH.

Section 19. Severability

Should any provision of this Ordinance be determined invalid by a court or administrative tribunal of competent jurisdiction, such determination shall not affect the remaining provisions.

Section 20. All other ordinances in conflict or inconsistent with this Ordinance are hereby repealed, to the extent of such conflict or inconsistency. In the event of any inconsistencies between the provisions of this Ordinance and any prior Ordinance of the Borough of Watchung, the provisions hereof shall be

determined to govern. All other parts, portions and provisions of the Revised General Ordinances of the Borough of Watchung are hereby ratified and confirmed except where inconsistent with the terms hereof.

Section 21. The Borough Clerk is directed to give notice at least ten (10) days prior to a hearing on the adoption of this Ordinance to the Somerset County Planning Board and to all other persons entitled thereto pursuant to N.J.S.A. 40:55D-15, and N.J.S.A. 40:55D-63, if required.

Section 22. After introduction, the Borough Clerk is hereby directed to submit a copy of the this Ordinance to the Planning Board of the Borough of Watchung for its review in accordance with N.J.S.A. 40:55D-26 and N.J.S.A. 40:55D-64. The Planning Board is directed to make and transmit to the Council, within thirty-five (35) days after referral, a report including identification of any provisions in the proposed Ordinance which are inconsistent with the Master Plan and recommendations concerning any inconsistencies and any other matter as the Board deems appropriate.

Section 23. This Ordinance shall take effect immediately upon (1) adoption; (2) publication in accordance with the laws of the State of New Jersey; (3) filing of the final form of adopted Ordinance by the Clerk with (a) the Somerset County Planning

Board pursuant to N.J.S.A. 40:55D-16, and (b) the Borough Tax Assessor as required by N.J.S.A. 40:49-2.1.

VACANT LAND INVENTORY IN SUPPORT OF ADJUSTMENTS

Summary of Adjusted Growth Share Projection Based On Land Capacity
(Introduction to Workbook C)

Municipality Name: **Watchung Borough**

This workbook contains two separate worksheets to be used for determining the projected Municipal Growth Share Obligation. Worksheet A must be completed by all municipalities. The Worksheet is a tool that allows the user to enter COAH-generated Growth Projections included in Appendix F(2) of the revised Third Round Rules to determine the projected Growth Share Obligation after applying exclusions permitted by N.J.A.C. 5:97-2.4. Municipalities that accept the COAH-generated Growth projections need only use Worksheet A.

[Click Here to complete Worksheet A](#)

Municipalities seeking to request a downward adjustment to the COAH-generated growth projections may do so by providing a detailed analysis of municipal land capacity. After completing this analysis, the growth projections may be lowered if the resulting growth share obligation results in a figure that is at least 10 percent lower than the projected Growth Share Obligation that would result from the COAH-generated growth projections. Actual growth must first be determined using the Actual Growth worksheet. A growth projection adjustment may only apply to any remaining growth.

**COAH REPORT
DEVELOPMENT FEE ORDINANCE
WATCHUNG BOROUGH, SOMERSET COUNTY
AUGUST 29, 1997**

BACKGROUND

The Borough of Watchung petitioned the Council on Affordable Housing (COAH) on July 10, 1997 and is proceeding toward substantive certification. A draft development fee ordinance was submitted to COAH on August 21, 1997 for review and approval.

ORDINANCE REVIEW

The Borough of Watchung's proposed development fee ordinance applies a mandatory development fee to all residential and nonresidential development. The borough has stipulated that the mandatory fee is one half of one percent of the equalized assessed value for all residential development and one percent of the equalized assessed value for all nonresidential development.

The ordinance permits developers to pay a fee in lieu of constructing affordable units and permits developers to pay an increased (negotiated) fee in exchange for other financial incentives. Both types of arrangements require COAH's review.

In addition to the exemptions required in N.J.A.C. 5:93-8.12, the ordinance also exempts development by the borough or any of its instrumentalities or by charitable or not-for-profit entities. Watchung's development fee ordinance has satisfied COAH's criteria as established in the following:

<u>N.J.A.C. 5:93-8.10</u>	Development fees, residential
<u>N.J.A.C. 5:93-8.11</u>	Development fees, non-residential
<u>N.J.A.C. 5:93-8.12</u>	Eligible exactions, ineligible exactions and exemptions
<u>N.J.A.C. 5:93-8.13</u>	Collection of fees
<u>N.J.A.C. 5:93-8.15</u>	Housing trust fund

RECOMMENDATION

Watchung has requested approval of its proposed development fee ordinance. Based upon the review outlined above, COAH staff recommends that this ordinance be approved. The borough must receive approval of a spending plan before any funds may be expended.

RESOLUTION APPROVING A DEVELOPMENT FEE ORDINANCE

WHEREAS, on July 10, 1997, the Council on Affordable Housing (COAH) received a petition for substantive certification from the Borough of Watchung, Somerset County; and

WHEREAS, Watchung Borough's housing element and fair share plan are under COAH review and proceeding towards certification; and

WHEREAS, Watchung Borough submitted a draft development fee ordinance for COAH review on August 21, 1997 (see Exhibit A); and

WHEREAS, Watchung Borough has submitted documentation as required in N.J.A.C. 5:93-8.8(a) for review of the proposed development fee ordinance; and

WHEREAS, the proposed ordinance imposes a mandatory development fee of one half of one percent of the equalized assessed value on all residential development and one percent of the equalized assessed value on all nonresidential development; and

WHEREAS, all inclusionary developments shall be exempt from development fees; and

WHEREAS, Watchung has also exempted development by the borough and its instrumentalities, as well as charitable and not-for-profit entities; and

WHEREAS, all development fees paid pursuant to the development fee ordinance shall be deposited into an interest bearing housing trust fund; and

WHEREAS, the proposed ordinance has provisions for COAH to direct disbursement of the development fees in the event of noncompliance by the borough; and

WHEREAS, COAH has reviewed the documentation and the ordinance for compliance with N.J.A.C. 5:93-8 et seq. and has determined that this ordinance complies with requirements set forth in these sections.

NOW THEREFORE BE IT RESOLVED that COAH hereby approves the provisions of Watchung Borough's development fee ordinance; and

BE IT FURTHER RESOLVED that the ability to collect and expend development fees is predicated upon COAH's receipt of written authorization from the governing body to the bank in which the housing trust fund is located that allows COAH to direct expenditure of development fees if the borough is not in conformance with COAH's rules on development fees; and

BE IT FURTHER RESOLVED that such written authorization shall be submitted to COAH within seven days of opening the account which houses the trust fund; and

BE IT FURTHER RESOLVED that the fee imposition may commence upon COAH's approval of this ordinance and the borough's formal adoption of the ordinance; and

BE IT FURTHER RESOLVED that the approval of this ordinance only empowers Watchung Borough to impose fees; this action does not empower Watchung Borough to expend monies without COAH's approval of a development fee spending plan; and

BE IT FURTHER RESOLVED that in the event Watchung Borough does not receive substantive certification from COAH, the development fee ordinance shall be null and void.

EXHIBIT A

138-105. Definitions.

a. Affordable Housing means any housing unit with an acquisition price or rent level not exceeding the maximum resale or rent level for low and moderate income housing as set forth in N.J.A.C. 5:92-1.2.

b. COAH means the New Jersey Council on Affordable Housing established under the Fair Housing Act of 1985, and which has primary jurisdiction for the administration of low and moderate housing delegations in accordance with sound regional planning considerations in this State.

c. Development fees mean money paid by an individual, person, partnership, association, company, or corporation for the improvement of property as permitted in N.J.A.C. 5:92-18 et seq.

d. Equalized assessed value means the value of a property determined by the Borough Tax Assessor through a process designed to ensure that all property in the Borough is assessed at the same assessment ratio or ratios required by law. Estimates at the time of building permit may be obtained by the Tax Assessor utilizing estimates for construction cost. Final equalized assessed value will be determined at project completion by the Tax Assessor.

138-106. Development Fee Schedule.

a. Residential Development.

(i) Residential development fees shall be a maximum of one-half of one (0.5%) percent of the equalized assessed value for residential development which is not exempt from the provisions of this Ordinance as set forth in subsection 138-107 below, provided no increased density is permitted.

(ii) The Borough may allow developers of sites zoned for inclusionary development to pay a fee in lieu of building low and moderate income units provided COAH determines the Borough's housing element and fair share plan provides a realistic opportunity for addressing the Borough's fair share obligation. The fee may equal the cost of subsidizing the low and moderate income units that are replaced by the development fee. For example, an inclusionary development may include a twenty (20%) percent set-aside, no set-aside and a fee that is the equivalent of a twenty (20%) percent set-aside or a combination of a fee and set-aside that is the equivalent of a twenty (20%) set-aside.

(iii) The Borough may collect fees exceeding those permitted in this section provided the Borough enters into agreements with developers that offer a financial incentive for paying higher fees. The financial incentive may be in the form of a tax abatement. No agreement may provide for a voluntary development fee without also providing for a comparable off-setting incentive. All agreements are subject to COAH approval.

b. Non-residential Development.

(i) Non-residential development fees shall be a maximum of one (1%) percent of the equalized assessed value for non-residential development which is not exempt from the provisions of this Ordinance as set forth in subsection 138-107 below.

(ii) The Borough may collect fees exceeding those permitted in this section provided they enter into agreements with developers that offer a financial incentive for paying higher fees. Such agreements may include, but are not limited to, a tax

against the subject development. In the event the Borough shall file such lien, the Borough may add to the aforesaid deficiency amount reasonable attorney fees to file and discharge such lien, together with any and all costs incurred to file and discharge said lien. In the event that the estimated equalized assessed value proves to have been too high, the Borough shall promptly refund the difference between the estimated development fees actually paid by the developer and the development fees required to be paid by the developer once such final equalized assessed value has been determined.

138-109. Housing Trust Fund.

All development fees shall be deposited with the Chief Financial Officer of the Borough in a separate designated interest-bearing housing trust fund. The development fees placed in the housing trust fund shall be deemed "dedicated revenues" as such term is defined in N.J.S.A. 40A:4-36. In establishing the housing trust fund, the Borough shall provide whatever express written authorization that may be required by the bank utilized by the Borough in order to permit COAH to direct the disbursement of development fees pursuant to subsection 138-112 of this Ordinance.

138-110. Use of Money.

a. The Borough shall use revenues collected from development fees for any activity approved by COAH for addressing the Borough's fair share obligation. Such activities include, but are not limited to, rehabilitation, new construction, regional contribution agreements, purchase of land for low and moderate income housing, improvement of land to be used for low and moderate income housing, extension and/or improvements of roads and infrastructure to low and moderate income housing sites, assistance designed to render units to be more affordable and administration of the implementation of the housing element.

b. Funds shall not be expended to reimburse the Borough for past housing activities.

c. At least thirty (30%) percent of the revenues collected from development fees shall be devoted to render units more affordable. Examples of such activities include, but are not limited to, down payment assistance, low interest loans, and rental assistance. This requirement may be waived in whole or in part when the Borough demonstrates to COAH the ability to address the requirement of affordability assistance from another source.

d. No more than twenty (20%) percent of the revenues collected from development fees shall be expended on administration, including, but not limited to, salaries and benefits for Borough employees or consultant fees necessary to develop or implement a rehabilitation program, a new construction program, a regional contribution agreement, a housing element, and an affirmative marketing program. Administrative funds may be used for income qualification of households, monitoring the turnover of sale and rental units, and compliance with COAH's monitoring requirements. Development fees shall not be used to defray the costs of existing staff.

138-111. Monitoring.

The Borough shall complete and return to COAH all monitoring forms related to the collection of development fees, expenditures of revenues, and implementation of the spending plan (discussed in subsection 138-112 below) certified by COAH. Quarterly financial reports and annual program implementation and auditing reports shall be completed by the Borough on forms designed by COAH.

138-112. Spending Plans.

a. The Borough shall submit to COAH a spending plan for the development fees collected by it prior to the expiration of its substantive certification period. Plans to spend development fees shall consist of the following information:

(i) a projection of revenues anticipated from imposing fees on development, based on historic activity;

(ii) a description of the administrative mechanism that the Borough will use to collect and distribute revenues;

(iii) a description of the anticipated use of all development fees;

(iv) a schedule for the creation or rehabilitation of housing units;

(v) in the event the Borough envisions being responsible for public sector or non-profit construction of housing, a pro-forma statement of the anticipated costs and revenues associated with the development; and

(vi) the manner through which the Borough will address any expected or unexpected shortfall if the anticipated revenues from development fees are not sufficient to implement the plan.

138-113. Penalties.

a. In the event that any of the conditions set forth in subsection 138-113b. below occur, COAH shall be authorized, on behalf of the Borough, to direct the manner in which all development fees collected pursuant to this Ordinance shall be expended. Should any such condition occur, such revenues shall immediately become available for expenditure at the direction of COAH upon the Borough Clerk's receipt of written notification from COAH that such a condition has occurred. In furtherance of the foregoing, the Borough shall, in establishing a bank account pursuant to subsection 138-109 of this Ordinance, ensure that the Borough has provided whatever express written authorization which may be required by the bank to permit COAH to direct disbursement of such revenues from the account following the delivery to the bank of the aforementioned written notification provided by COAH to the Borough Clerk.

b. Occurrence of the following may result in COAH taking an action pursuant to subsection 138-113a. above:

(i) failure to submit a spending plan pursuant to subsection 138-112 above within the time limits imposed by COAH;

(ii) failure to meet deadlines for information required by COAH in its review of this Ordinance, the Borough's housing element, or spending plan;

(iii) failure to address COAH's conditions for approval of a plan to spend development fees within the deadlines imposed by COAH;

(iv) failure to address COAH's conditions for substantive certification within the deadlines imposed by COAH;

(v) failure to submit accurate monitoring reports within the time limits imposed by COAH;

(vi) failure to implement the spending plan for development fees within the time limits imposed by COAH, or within reasonable extensions granted by COAH;

(vii) expenditure of development fees on activities not permitted by COAH;

(viii) revocation of the Borough's substantive certification; or

(ix) other good cause demonstrating that the revenues are not being used for the intended purpose.

138-114. Ongoing Collection of Development Fees.

The Borough's ability to collect development fees shall expire with substantive certification unless the Borough has filed an adopted housing element with COAH, petitioned for substantive certification, and received COAH's approval of its development fee ordinance.

138-115. Severability.

BOROUGH OF WATCHUNG

ORDINANCE NO. ORD: 14/12

AN ORDINANCE REPEALING AND REPLACING SECTION 28-1103, TITLED "DEVELOPMENT FEE SCHEDULE" OF THE REVISED GENERAL ORDINANCES OF THE BOROUGH OF WATCHUNG INCREASING THE AFFORDABLE HOUSING FEES CHARGED TO DEVELOPERS.

BE IT ORDAINED by the Mayor and Council of the Borough of Watchung, in the County of Somerset, State of New Jersey, that Section 28-1103, titled "Development Fee Schedule", of the Revised General Ordinances of the Borough of Watchung is hereby repealed and replaced as follows:

Section 1. Section 28-1103, titled "Development Fee Schedule", of the Revised General Ordinances of the Borough of Watchung is hereby repealed and replaced as follows:¹

A. Residential Development.

1. Residential development fees shall be a maximum of one and one-half (1½%) percent of the equalized assessed value for residential development which is not exempt from the provisions of this chapter as set forth below, provided no increased density is permitted.

2. If a "d" variance is granted pursuant to N.J.S.A. 40:55D-70d(5), then the additional residential units realized (above what is permitted by right under the existing zoning) will incur a bonus development fee of six percent (6%) rather than the development fee of one and one-half (1½%) percent. However, if the zoning on a site has changed during the two-year period preceding the filing of the "d" variance application, the base density for the purposes of calculating the bonus development fee shall be the highest density permitted by right during the two (2) years preceding the filing of the "d" variance application.

3. The Borough may allow developers of sites zoned for inclusionary development to pay a fee in lieu of building low

and moderate income units provided COAH determines the Borough's Housing Element and Fair Share Plan provides a realistic opportunity for addressing the Borough's fair share obligation. The fee may equal the cost of subsidizing the low and moderate income units that are replaced by the development fee. For example, an inclusionary development may include a twenty percent (20%) set-aside, no set-aside and a fee that is the equivalent of a twenty percent (20%) set-aside or a combination of a fee and set-aside that is the equivalent of a twenty percent (20%) set-aside.

4. The Borough may collect fees exceeding those permitted in this section provided the Borough enters into agreements with developers that offer a financial incentive for paying higher fees. The financial incentive may be in the form of a tax abatement. No agreement may provide for a voluntary development fee without also providing for a comparable off-setting incentive. All agreements are subject to COAH approval.

B. Nonresidential Development.

1. Nonresidential development fees shall be a maximum of two and one-half (2½%) percent of the equalized assessed value for nonresidential development which is not exempt from the provisions of this chapter as set forth below.

2. If a "d" variance is granted pursuant to N.J.S.A. 40:55D-70d(4), then the additional floor area realized (above what is permitted by right under the existing zoning) will incur a bonus development fee of six percent (6%) rather than the development fee of two and one-half (2½%) percent. However, if the zoning on a site has changed during the two (2) year period preceding the filing of the "d" variance application, the base floor area for the purposes of calculating the bonus development fee shall be the highest floor area permitted by right during the two (2) years preceding the filing of the "d" variance application.

3. The Borough may collect fees exceeding those permitted in this section provided they enter into agreements with developers that offer a financial incentive for paying higher fees. Such agreements may include, but are not limited to, a tax abatement, increased commercial/industrial square footage, increased commercial/industrial lot coverage and/or increased commercial or industrial impervious coverage, in return for an increased development fee. The development fee negotiated must bear a reasonable relationship to the

additional commercial/industrial consideration to be received. All agreements are subject to approval by COAH.

Section 2. If any article, section, sub-section, sentence, clause or phrase of this Ordinance is, for any reason, held to be unconstitutional or invalid, such decision shall not affect the remaining portions of this Ordinance and they shall remain in full force and effect.

Section 3. This Ordinance shall take effect upon final adoption and publication according to law.
