**SHOTGUN USE**

Dear Resident;

The deer culling season is fast approaching and the Borough is trying to secure all possible sites with those residents that are willing to give permission to utilize their properties for this purpose. A resident within 450 foot of your property is willing to allow the community based deer management program to cull deer on their property but the Borough will need your permission as well to utilize that property. If you are willing to allow culling on an adjoining site to your property, please complete the portion below and return it to the Borough of Watchung in the self addressed stamped envelope at your earliest convenience. The continuation of the deer management program was authorized by the Mayor and Council and strongly recommended by the Borough Wildlife Management Advisory Committee. Your cooperation is most appreciated.

Sincerely,

Linda Monetti  
Administrative Assistant
