**SHOTGUN USE**

Dear Resident;

The deer culling season is fast approaching and the Borough of Watchung is trying to secure all possible sites with those residents that are willing to give permission to utilize their properties for this purpose. As the Borough plans to use a site within 450 foot of your property the Borough will need your permission as well to utilize that property. Shooting is limited to the designated sites in the program with the utmost of safety and will only be done from elevated tree stands. If you are willing to allow culling on an adjoining site to your property, please complete the portion below and return it to the Borough of Watchung in the self addressed stamped envelope at your earliest convenience. Although no final decision has been made on the specific start and end dates the continuation of the deer management program has been approved by the Mayor and Council and was strongly recommended by the Borough Wildlife Management Advisory Committee. Your cooperation is most appreciated.

Sincerely,

Borough Administrator
