It is the policy of the Borough of Watchung to prevent excessive sound that may jeopardize the health, welfare, or safety of the citizens or degrade the quality of life.

This ordinance shall apply to the control of sound originating from sources within the Borough of Watchung.

§ 20-2. Definitions

The following words and terms, when used in this ordinance, shall have the following meanings, unless the context clearly indicates otherwise. Terms not defined in this ordinance have the same meaning as those defined in N.J.A.C. 7:29.

"Construction" means any site preparation, assembly, erection, repair, alteration or similar action of buildings or structures.

"dBC" means the sound level as measured using the "C" weighting network with a sound level meter meeting the standards set forth in ANSI S1.4-1983 or its successors. The unit of reporting is dB(C). The "C" weighting network is more sensitive to low frequencies than is the "A" weighting network.

"Demolition" means any dismantling, destruction or removal of buildings, structures, or roadways.

"Department" means the New Jersey Department of Environmental Protection.

"Emergency work" means any work or action necessary at the site of an emergency to restore or deliver essential services including, but not limited to, repairing water, gas, electricity, telephone, sewer facilities, or public transportation facilities, removing fallen trees on public rights-of-way, dredging navigational waterways, or abating life-threatening conditions or a state of emergency declared by a governing agency.

"Impulsive sound" means either a single pressure peak or a single burst (multiple pressure peaks) that has a duration of less than one second.

"Minor Violation" means a violation that is not the result of the purposeful, reckless or criminally negligent conduct of the alleged violator; and/or the activity or condition constituting the violation has not been the subject of an enforcement action by any authorized local, county or state enforcement agency against the violator within the immediately preceding 12 months for the same or substantially similar violation.

"Motor vehicle" means any vehicle that is propelled other than by human or animal power on land.

"Muffler" means a properly functioning sound dissipative device or system for abating the sound on engines or equipment where such device is part of the normal configuration of the equipment.

**BOROUGH OF WATCHUNG
ORDINANCE NO. 22/01**

"Multi-dwelling unit building" means any building comprising two or more dwelling units, including, but not limited to, apartments, condominiums, co-ops, multiple family houses, townhouses, and attached residences.

"Multi-use property" means any distinct parcel of land that is used for more than one category of activity. Examples include, but are not limited to:

1. A commercial, residential, industrial or public service property having boilers, incinerators, elevators, automatic garage doors, air conditioners, laundry rooms, utility provisions, or health and recreational facilities, or other similar devices or areas, either in the interior or on the exterior of the building, which may be a source of elevated sound levels at another category on the same distinct parcel of land; or
2. A building, which is both commercial (usually on the ground floor) and residential property, located above, below, or otherwise adjacent to.

"Noise Control Officer" (NCO) means an employee of a local, county or regional health agency which is certified pursuant to the County Environmental Health Act (N.J.S.A. 26:3A2-21 *et seq.*) to perform noise enforcement activities or an employee of a municipality with a Department-approved model noise control ordinance. All NCOs must receive noise enforcement training as specified by the Department in N.J.A.C. 7:29 and is currently certified in noise enforcement. The employee must be acting within his or her designated jurisdiction and must be authorized to issue a summons.

"Noise Control Investigator" (NCI) means an employee of a municipality, county or regional health commission that has a Department-approved model noise control ordinance and the employee has not received noise enforcement training as specified by the Department in N.J.A.C. 7:29. However, they are knowledgeable about their model noise ordinance and enforcement procedures. A Noise Control Investigator may only enforce sections of the ordinance that do not require the use of a sound level meter. The employee must be acting within his or her designated jurisdiction and must be authorized to issue a summons.

"Plainly audible" means any sound that can be detected by a NCO or an NCI using his or her unaided hearing faculties of normal acuity. As an example, if the sound source under investigation is a portable or vehicular sound amplification or reproduction device, the detection of the rhythmic bass component of the music is sufficient to verify plainly audible sound. The NCO or NCI need not determine the title, specific words, or the artist performing the song.

"Private right-of-way" means any street, avenue, boulevard, road, highway, sidewalk, alley or easement that is owned, leased, or controlled by a non-governmental entity.

"Public right-of-way" means any street, avenue, boulevard, road, highway, sidewalk, alley or easement that is owned, leased, or controlled by a governmental entity.

Note- this definition shall not apply to a commercial source and a commercial receptor which are both located on the same parcel of property (e.g., a strip mall).

"Sound production device" means any device whose primary function is the production of sound, including, but not limited to any, musical instrument, loudspeaker, radio, television, digital or analog music player, public address system or sound-amplifying equipment.

"Sound reduction device" means any device, such as a muffler, baffle, shroud, jacket, enclosure, isolator, or dampener provided by the manufacturer with the equipment, or that is otherwise required, that mitigates the sound emissions of the equipment.

It is an affirmative defense under this subsection that the dog or other animal was intentionally provoked to bark or make any other noise.

§ 20-10. Motor Vehicles

Note: This section is optional; any numbered paragraph may be adopted in its entirety.

Violations of each paragraph of this section shall be considered purposeful and therefore non-minor violations.

- (A) No person shall remove or render inoperative, or cause to be removed or rendered inoperative or less effective than originally equipped, other than for the purposes of maintenance, repair, or replacement, of any device or element of design incorporated in any motor vehicle for the purpose of noise control. No person shall operate a motor vehicle or motorcycle which has been so modified. A vehicle not meeting these requirements shall be deemed in violation of this provision if it is operated stationary or in motion in any public space or public right-of-way.
- (B) No motorcycle shall be operated stationary or in motion unless it has a muffler that complies with and is labeled in accordance with the Federal Noise Regulations under 40 CFR Part 205.
- (C) Personal or commercial vehicular music amplification or reproduction equipment shall not be operated in such a manner that it is plainly audible at distance of 25 feet in any direction from the operator between the hours of 10:00 p.m. and 8:00 a.m.

ORDINANCE NO. 22/01**

\$2,000 as of December 2014. If the violation is of a continuing nature, each day during which it occurs shall constitute an additional, separate, and distinct offense.

- (C) Upon identification of a violation of this Ordinance the Noise Control Officer or Noise Control Investigator shall issue an enforcement document to the violator. The enforcement document shall identify the condition or activity that constitutes the violation and the specific provision of this Ordinance that has been violated. It shall also indicate whether the violator has a period of time to correct the violation before a penalty is sought.
- (D) If the violation is deemed by the Noise Control Officer or Noise Control Investigator to be a minor violation (as defined in § 20-2) a NOV shall be issued to the violator.
1. The document shall indicate that the purpose of the NOV is intended to serve as a notice to warn the responsible party/violator of the violation conditions in order to provide them with an opportunity to voluntarily investigate the matter and voluntarily take corrective action to address the identified violation.
 2. The NOV shall identify the time period (up to 90 days), pursuant to the Grace Period Law, N.J.S.A. 13:1D-125 et seq. where the responsible party's/violator's voluntary action can prevent a formal enforcement action with penalties issued by the Health Department. It shall be noted that the NOV does not constitute a formal enforcement action, a final agency action or a final legal determination that a violation has occurred. Therefore, the NOV may not be appealed or contested.
- (E) If the violation is deemed by the Noise Control Officer or Noise Control Investigator to be a non-minor violation, the violator shall be notified that if the violation is not immediately corrected, a NOPA with a civil penalty of not more than the maximum penalty allowed pursuant to N.J.S.A. 40:49-5, which is \$2,000 as of December 2014, will be issued. If a non-minor violation is immediately corrected, a NOV without a civil penalty shall still be issued to document the violation. If the violation occurs again (within 12 months of the initial violation) a NOPA shall be issued regardless of whether the violation is immediately corrected or not.
- (F) The violator may request from the Noise Control Officer or Noise Control Investigator, an extension of the compliance deadline in the enforcement action. The Noise Control Officer or Noise Control Investigator shall have the option to approve any reasonable request for an extension (not to exceed 180 days) if the violator can demonstrate that a good faith effort has been made to achieve compliance. If an extension is not granted and the violation continues to exist after the grace period ends, a NOPA shall be issued.
- (G) The recipient of a NOPA shall be entitled to a hearing in a municipal court having jurisdiction to contest such action.
- (H) The Noise Control Officer or Noise Control Investigator may seek injunctive relief if the responsible party does not remediate the violation within the period of time specified in the NOPA issued.
- (I) Any claim for a civil penalty may be compromised and settled based on the following factors:

**BOROUGH OF WATCHUNG

§ 20-12. Consistency, Severability and Repealer

- (A) If any provision or portion of a provision of this ordinance is held to be unconstitutional, preempted by Federal or State law, or otherwise invalid by any court of competent jurisdiction, the remaining provisions of the ordinance shall not be invalidated.
- (B) All ordinances or parts of ordinances, which are inconsistent with any provisions of this ordinance, are hereby repealed as to the extent of such inconsistencies.
- (C) No provision of this ordinance shall be construed to impair any common law or statutory cause of action, or legal remedy there from, of any person for injury or damage arising from any violation of this ordinance or from other law.

CHAPTER 27

The governing body of the Borough of Watchung finds and declares that it is necessary to require persons who engage in the business of offering property for rent to file for and obtain a Certificate of Registration for each rental unit located within the Borough of Watchung in order to protect the public health, safety, and welfare and that it is a rational exercise of the municipal police power to require that each residential rental unit substantially complies with all applicable laws and ordinances. *N.J.S.A. 46:8-28 et seq.* requires the registration of rental units either with the State of New Jersey or with the Municipal Clerk or designee in the municipality where the rental unit is situated.

Re: Watchung Lake and Best Lake
2021-2022 Lake Management Proposal

We would like to thank you for your time in reading our proposal. Per our past experience and based on the success of our past programs, the following is a recommended program for seasonal algae and weed control. Aquaclear, LLC Inc. looks forward to providing the successful management of Watchung Lake and Best Lake. Items assessed in this proposal include the following:

- 1) Service Program
- 2) Lake Management Program
- 3) Program Pricing
- 4) Summary

Implementation of the above features will insure maximum results in the management of Watchung Lake and Best Lake.

Service Program

Service is critical in the success of any lake management program. Aquaclear, LLC Service Programs provide quick response, professional expertise, consultative recommendations and a dedication to client satisfaction.

1. Service will be provided from the initial spring service (April/May) to the end of the NJDEP Permitting (September).
2. Service calls will include complete survey of the vegetation growth, a survey of the lake body and shoreline, as well as written analysis and recommendations based on the above data.
3. Additional services are provided through monthly verbal reports to the township representative.

Lake Management Program

Recommended products for Watchung Lake and Best Lake are listed below:

The principal aquatic algaecides will be Copper Sulfate and/or Cutrine-Plus. These are algaecides, which may be used to control filamentous and/or planktonic algae. Each is very effective in controlling and retarding the growth of algae as well as impacting the growth of various species of aquatic rooted vegetation.

Targeted rooted aquatic vegetation (Curly Leaf Pondweed and Eurasian Water Milfoil) may be controlled with the following: Clipper, Reward, Aquathol-K, Komeen, and Nautique. These products are contact herbicides, which may be applied to the submerged vegetation. They are very effective in the control of rooted vegetation. If Spatterdock and/or Water Lily control is required, Glyphosate based products will be used.

Program Pricing

Pricing for the complete seasonal program includes:

- A) Written service reports per visit.
- B) A monthly status report to the Pond association representative
- C) Product application and vegetation control during the growing season.

- A. Pricing for the seasonal program is: \$4100.00/season
 *Service calls
 *Seasonal submerged rooted vegetation control
 *Seasonal algae control
- B. Lilly control treatments: \$450.00/treatment
- C. NJDEP permit fee and filings: \$150.00/season

Insurance: Aquaclear, LLC is a fully insured corporation. Aquaclear, LLC carries workers compensation, public liability and property damage insurance. The insurance will remain in effect throughout the length of this contract.

LIGHTNING PREDICTION SYSTEM **(THORGUARDIAN)**

The Borough of Watchung has an automatic lightning prediction and warning system in continuous use referred to as the Thorguardian. This unit is located at the top of the Snack Shack at Phillip's field. The sensor monitors energy as far as 15 miles and evaluates the potential for lightning within an area of approximately two miles in radius. When the unit senses a hazardous condition, the system automatically provides both audible and visual alerts. When a dangerous condition exists a warning blast will occur and the amber light will flash.

THE FIELDS MUST BE CLEARED IMMEDIATELY WHEN THE SOUND ALARMS

The light will continue to flash until the dangerous condition no longer exists.

Please review the following safety points with your organization leaders and participant.

1. Do Not seek shelter under a tree
2. Do Not seek shelter on the snack shack deck
3. Do Not seek shelter in a dugout by a metal fence

The Thorguardian prediction system is only a supplementary source of guidance. Should thunderstorm conditions develop, and the system is not activated, use good judgment and seek shelter.

The Borough of Watchung and the Watchung Recreation Commission recommends that the use of the AED be administered by a certified individual.

**2020 ACKNOWLEDGMENT AND WAIVER OF LIABILITY, INDEMNIFICATION AND HOLD
HARMLESS FOR THE USE OF BOROUGH OF WATCHUNG FIELDS, PARKS AND
FACILITIES (APPLICANT)**

I. Background and Purpose

The Borough of Watchung and the Borough of Watchung Recreation Commission (hereinafter jointly and separately referred to as the "Borough of Watchung") offer(s) Facility, Park and Field Use to the public for a variety of indoor and outdoor physical, social and educational programs and activities, including but not limited to competitive and non-competitive sports and sporting events, organized leagues, day camps, games, and instructional/training programs and camps (collectively referred to hereinafter as the "FACILITY AND FIELD USE"). The Borough of Watchung fields, facilities, parks and property and other public and semi-public places may be accessible to large numbers of people on a daily basis.

Due to the ongoing COVID-19 pandemic, and until further notice, any Organization, Company, and or individual(s) seeking to rent a Borough of Watchung facility or field for an event, program, or planned activity ("PROGRAM") shall require any adult, age 18 or older wishing to enroll themselves, their child(ren) or any other dependent(s) family members into or participate in the PROGRAM, or seeking to otherwise voluntarily participate or attend the PROGRAM as a coach, counselor, instructor, referee, official, or volunteer, to complete, sign an Acknowledgement and Waiver of Liability. It shall be the sole responsibility of the Applicant for the use of the Borough Field, Park and/or Facility to obtain and maintain a copy of the Acknowledgement and Waiver of Liability for a period of at least two (2) years from the date of the scheduled event.

Permission to access any Borough of Watchung facilities/property and equipment is expressly conditional on the Organization, Company and/or Individual(s) seeking to use or rent a Borough Field or Facility obtaining from all of its participants and attendees a properly completed and signed Acknowledgement and Waiver of Liability in a timely manner. The Organization, Company and/or Individual shall not permit an individual's participation or attendance in the PROGRAM without an executed Acknowledgement and Waiver of Liability.

Access to any Borough of Watchung facility, field, park, property and/or equipment may be denied or revoked at any time for the failure of the Organization, Company and/or individual to have obtained a properly completed, signed Acknowledgement and Waiver of Liability from all of its participants and/or attendees.

II. Acknowledgment and Waiver and Indemnification and Hold Harmless

I/WE, shall mean the following:

An INDIVIDUAL: Name: MITT BUGLOVSKY

ORGANIZATION: Name: MR. B'S FISHING CAMP

CORPORATION or LLC: Name: B-ACTIVE LLC

I/WE have requested the use of a Borough of Watchung Field, Facility and/or Park for a PROGRAM and in consideration of the use of the Borough Field, Facility, and/or Park, I/WE, the undersigned agree to assume all risks of the Program and agree to indemnify and hold the Borough of Watchung and its officers, agents, and employees harmless from any and all liability, claims, costs, and attorney's fees arising out of the use of the Borough Property.

I/WE acknowledge that the Pandemic Illnesses: (1) are highly contagious and may cause serious permanent bodily injury, including death, of healthy persons of all ages; (2) are subject to changing recommendations on limiting risk of exposure and spread; (3) remain prevalent throughout New Jersey; (4) are highly likely to spread to persons in direct contact with or in close proximity to (within about 6 feet) an infected person; (5) believed by the CDC/NJDOH to spread by droplets produced into the air when an infected person coughs, sneezes, talks or otherwise moves air out through their nose and mouth, and from touching surfaces on which droplets containing the virus exist.

I/WE further acknowledge that operation and implementation of the PROGRAM may pose an inherent and heightened risk of exposure, infection and bodily injury from the Pandemic Illnesses regardless of preventative measures taken by the Borough of Watchung.

By signing this ACKNOWLEDGEMENT, WAIVER, INDEMNIFICATION AND HOLD HARMLESS, I/WE on behalf of ourselves, the PROGRAM PARTICIPANT(S) and other members of their household, voluntarily agree to assume all of the foregoing risks, and do accept sole and complete responsibility for any and all injuries, damage(s) and other losses to the PROGRAM PARTICIPANT(S), and other members of their household for attending or participating in the PROGRAM, including for all bodily injuries, disabilities, permanent disabilities, deaths, illnesses, damages, losses, claims, demands, liabilities, medical treatment and expenses, attorneys' fees, costs of suit and/or expenses of any kind that is incurred in connection with attending or participating in any PROGRAM.

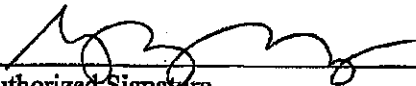

I/WE, on behalf of myself/ourselves, HEREBY RELEASE, COVENANT NOT TO SUE, DISCHARGE, WAIVE AND AGREE TO INDEMNIFY AND HOLD HARMLESS THE BOROUGH OF WATCHUNG, THE BOROUGH OF WATCHUNG RECREATION COMMISSION, AND EACH OF THE BOROUGH OF WATCHUNG'S OFFICIALS, OFFICERS, EMPLOYEES AGENTS, VOLUNTEERS AND REPRESENTATIVES FOR AND FROM ANY AND ALL CLAIMS, DAMAGES, DEMANDS, LOSSES, LIABILITIES, ACTIONS, COSTS AND EXPENSES OF ANY KIND ARISING OUT OF OR IN ANY WAY RELATING TO THE ACCIDENTAL AND/OR NEGLIGENT EXPOSURE TO THESE PANDEMIC ILLNESSES FROM ATTENDING OR PARTICIPATING IN THE PROGRAM(S).

I/WE UNDERSTAND AND AGREE THAT THIS WAIVER, RELEASE, HOLD HARMLESS AND INDEMNIFICATION INCLUDES ANY AND ALL CLAIMS BASED ON THE ACTIONS, OMISSIONS, OR NEGLIGENCE OF THE BOROUGH OF WATCHUNG, THE BOROUGH OF WATCHUNG DEPARTMENT OF RECREATION AND THE BOROUGH OF WATCHUNG'S OFFICIALS, OFFICERS, EMPLOYEES, AGENTS, VOLUNTEERS AND REPRESENTATIVES, REGARDLESS OF WHETHER INFECTION FROM THESE PANDEMIC ILLNESSES OCCUR BEFORE DURING OR AFTER PARTICIPATION AND/OR ATTENDANCE IN ANY PROGRAM(S) AT A BOROUGH OF WATCHUNG FIELD, PARK, AND/OR FACILITY.

This ACKNOWLEDGEMENT, WAIVER, INDEMNIFICATION AND HOLD HARMLESS does not supersede, circumvent, or cancel Borough of Watchung Recreation Department's Rules and Regulations relating to the use and/or rental of the Borough Field, Park or Facility.

If any part of this ACKNOWLEDGEMENT, WAIVER, INDEMNIFICATION AND HOLD HARMLESS is found by a court of competent jurisdiction to be invalid, the remainder of this WAIVER release from liability shall nevertheless remain in full force and effect and the offending provision or provisions severed here from.

The undersigned, has read and accepts the terms and conditions of this and is fully authorized to execute the within document on behalf of Organization, Corporation or Company, and acknowledges and agrees that it shall, to the fullest extent allowed by law, be effective.

Mr. B's Fishing Camp
COVID Plan
Health Director: Matt Buglovsky

1. Camp is held outside and is limited to 25 campers per week.
2. All campers and staff will be screened prior to camp using a non-touch infrared forehead thermometer. All screening processes will take place at a designated station. The station will be set up near a bench in between the parking lot and fishing area. Any camper that has a fever of 100.4° or above will not be allowed to attend camp.
3. Additionally, campers and staff will be asked several questions prior to entering camp regarding COVID symptoms (are you experiencing fever, chills, cough, shortness of breath, difficulty breathing, fatigue, diarrhea, headache, sore throat, or body aches). Results will be documented daily. Campers that don't have a fever of 100.4 or above and aren't experiencing any of the symptoms above will be allowed to enter the camp and proceed to the fishing area.
4. All campers and staff will be questioned and monitored regarding out of state travel. Unvaccinated travelers and residents returning from any U.S. state or territory beyond the immediate region (New York, Connecticut, Pennsylvania, and Delaware) should self-quarantine for 10 days if they are not able to get tested or 7 days if they test negative.
5. Campers are required to bring a chair to camp to act as a "home base" for each camper.
6. Each camper is required to have a face covering to bring to camp. If a camper does not have a mask, one will be given to them.
7. Campers do not need to wear the face covering while fishing, as campers will be spread out 6 feet or more.
8. Campers must wear masks when entering/leaving camp and if they cannot properly social distance, unless due to medical reasons, that would inhibit the individual's health.
9. Campers are responsible to bring their own equipment to camp including their fishing pole and chair.
10. Staff members will be using face coverings at all times.

11. The camp director will hold a counselor training session for staff prior to camp starting. The training session will cover the basic principles of first aid, infection control, and Covid signs and symptoms.
12. Email sent to parents prior to camp starting regarding our safety measures, which include staying home if child is not feeling well, protocols on wearing face coverings, and avoidance of touching face at camp.
13. Hand sanitizer will be available for each camper to use when necessary. Additionally, disinfecting wipes will be on hand during this camp.
14. No items at camp will be shared, including all equipment.
15. Camp is limited to campers only, no parents or visitors allowed.
16. Any camper that happens to not feel well while at camp will be isolated and picked up immediately.
17. Groups of campers will remain unchanged day to day.
18. Campers will be dropped off and picked up using two different locations each day.
19. Campers and staff will be required to abide by the gatherings/limitations Order in effect at the time of competition, along with NJDOH Guidance for Sports, Administrative Orders, and any other directives in place.
20. All participants must bring their own water as water will not be provided.
21. This program will cooperate with the local health department regarding contact tracing. Records will be maintained of each player for contact tracing purposes.

LIGHTNING PREDICTION SYSTEM **(THORGUARDIAN)**

The Borough of Watchung has an automatic lightning prediction and warning system in continuous use referred to as the Thorguardian. This unit is located at the top of the Snack Shack at Phillip's field. The sensor monitors energy as far as 15 miles and evaluates the potential for lightning within an area of approximately two miles in radius. When the unit senses a hazardous condition, the system automatically provides both audible and visual alerts. When a dangerous condition exists a warning blast will occur and the amber light will flash.

THE FIELDS MUST BE CLEARED IMMEDIATELY WHEN THE SOUND ALARMS

The light will continue to flash until the dangerous condition no longer exists.

Please review the following safety points with your organization leaders and participant:

1. Do Not seek shelter under a tree
2. Do Not seek shelter on the snack shack deck
3. Do Not seek shelter in a dugout by a metal fence

The Thorguardian prediction system is only a supplementary source of guidance. Should thunderstorm conditions develop, and the system is not activated, use good judgment and seek shelter.

The unit, referred to as an AED, is located on the south side of the snack shack at Phillips Field Sports Complex.

The Borough of Watchung and the Watchung Recreation Commission recommends that the use of the AED be administered by a certified individual.

**2020 ACKNOWLEDGMENT AND WAIVER OF LIABILITY, INDEMNIFICATION AND HOLD
HARMLESS FOR THE USE OF BOROUGH OF WATCHUNG FIELDS, PARKS AND
FACILITIES (APPLICANT)**

I. Background and Purpose

The Borough of Watchung and the Borough of Watchung Recreation Commission (hereinafter jointly and separately referred to as the "Borough of Watchung") offer(s) Facility, Park and Field Use to the public for a variety of indoor and outdoor physical, social and educational programs and activities, including but not limited to competitive and non-competitive sports and sporting events, organized leagues, day camps, games, and instructional/training programs and camps (collectively referred to hereinafter as the "FACILITY AND FIELD USE"). The Borough of Watchung fields, facilities, parks and property and other public and semi-public places may be accessible to large numbers of people on a daily basis.

Due to the ongoing COVID-19 pandemic, and until further notice, any Organization, Company, and or individual(s) seeking to rent a Borough of Watchung facility or field for an event, program, or planned activity ("PROGRAM") shall require any adult, age 18 or older wishing to enroll themselves, their child(ren) or any other dependent(s) family members into or participate in the PROGRAM, or seeking to otherwise voluntarily participate or attend the PROGRAM as a coach, counselor, instructor, referee, official, or volunteer, to complete, sign an Acknowledgement and Waiver of Liability. It shall be the sole responsibility of the Applicant for the use of the Borough Field, Park and/or Facility to obtain and maintain a copy of the Acknowledgement and Waiver of Liability for a period of at least two (2) years from the date of the scheduled event.

Permission to access any Borough of Watchung facilities/property and equipment is expressly conditional on the Organization, Company and/or Individual(s) seeking to use or rent a Borough Field or Facility obtaining from all of its participants and attendees a properly completed and signed Acknowledgement and Waiver of Liability in a timely manner. The Organization, Company and/or Individual shall not permit an individual's participation or attendance in the PROGRAM without an executed Acknowledgement and Waiver of Liability.

Access to any Borough of Watchung facility, field, park, property and/or equipment may be denied or revoked at any time for the failure of the Organization, Company and/or individual to have obtained a properly completed, signed Acknowledgement and Waiver of Liability from all of its participants and/or attendees.

II. Acknowledgment and Waiver and Indemnification and Hold Harmless

I/WE, shall mean the following:

An INDIVIDUAL: Name: MITT BINGLOVSKY

ORGANIZATION: Name: MR. B'S FISHING CAMP

CORPORATION or LLC: Name: B-ACTIVE LLC

I/WE have requested the use of a Borough of Watchung Field, Facility and/or Park for a PROGRAM and in consideration of the use of the Borough Field, Facility, and/or Park, I/WE, the undersigned agree to assume all risks of the Program and agree to indemnify and hold the Borough of Watchung and its officers, agents, and employees harmless from any and all liability, claims, costs, and attorney's fees arising out of the use of the Borough Property.

I/WE acknowledge that the Pandemic Illnesses: (1) are highly contagious and may cause serious permanent bodily injury, including death, of healthy persons of all ages; (2) are subject to changing recommendations on limiting risk of exposure and spread; (3) remain prevalent throughout New Jersey; (4) are highly likely to spread to persons in direct contact with or in close proximity to (within about 6 feet) an infected person; (5) believed by the CDC/NJDOH to spread by droplets produced into the air when an infected person coughs, sneezes, talks or otherwise moves air out through their nose and mouth, and from touching surfaces on which droplets containing the virus exist.

I/WE further acknowledge that operation and implementation of the PROGRAM may pose an inherent and heightened risk of exposure, infection and bodily injury from the Pandemic Illnesses regardless of preventative measures taken by the Borough of Watchung.

By signing this ACKNOWLEDGEMENT, WAIVER, INDEMNIFICATION AND HOLD HARMLESS, I/WE on behalf of ourselves, the PROGRAM PARTICIPANT(S) and other members of their household, voluntarily agree to assume all of the foregoing risks, and do accept sole and complete responsibility for any and all injuries, damage(s) and other losses to the PROGRAM PARTICIPANT(S), and other members of their household for attending or participating in the PROGRAM, including for all bodily injuries, disabilities, permanent disabilities, deaths, illnesses, damages, losses, claims, demands, liabilities, medical treatment and expenses, attorneys' fees, costs of suit and/or expenses of any kind that is incurred in connection with attending or participating in any PROGRAM.

I/WE, on behalf of myself/ourselves, HEREBY RELEASE, COVENANT NOT TO SUE, DISCHARGE, WAIVE AND AGREE TO INDEMNIFY AND HOLD HARMLESS THE BOROUGH OF WATCHUNG, THE BOROUGH OF WATCHUNG RECREATION COMMISSION, AND EACH OF THE BOROUGH OF WATCHUNG'S OFFICIALS, OFFICERS, EMPLOYEES AGENTS, VOLUNTEERS AND REPRESENTATIVES FOR AND FROM ANY AND ALL CLAIMS, DAMAGES, DEMANDS, LOSSES, LIABILITIES, ACTIONS, COSTS AND EXPENSES OF ANY KIND ARISING OUT OF OR IN ANY WAY RELATING TO THE ACCIDENTAL AND/OR NEGLIGENT EXPOSURE TO THESE PANDEMIC ILLNESSES FROM ATTENDING OR PARTICIPATING IN THE PROGRAM(S).

I/WE UNDERSTAND AND AGREE THAT THIS WAIVER, RELEASE, HOLD HARMLESS AND INDEMNIFICATION INCLUDES ANY AND ALL CLAIMS BASED ON THE ACTIONS, OMISSIONS, OR NEGLIGENCE OF THE BOROUGH OF WATCHUNG, THE BOROUGH OF WATCHUNG DEPARTMENT OF RECREATION AND THE BOROUGH OF WATCHUNG'S OFFICIALS, OFFICERS, EMPLOYEES, AGENTS, VOLUNTEERS AND REPRESENTATIVES, REGARDLESS OF WHETHER INFECTION FROM THESE PANDEMIC ILLNESSES OCCUR BEFORE DURING OR AFTER PARTICIPATION AND/OR ATTENDANCE IN ANY PROGRAM(S) AT A BOROUGH OF WATCHUNG FIELD, PARK, AND/OR FACILITY.

This ACKNOWLEDGEMENT, WAIVER, INDEMNIFICATION AND HOLD HARMLESS does not supersede, circumvent, or cancel Borough of Watchung Recreation Department's Rules and Regulations relating to the use and/or rental of the Borough Field, Park or Facility.

If any part of this ACKNOWLEDGEMENT, WAIVER, INDEMNIFICATION AND HOLD HARMLESS is found by a court of competent jurisdiction to be invalid, the remainder of this WAIVER release from liability shall nevertheless remain in full force and effect and the offending provision or provisions severed here from.

The undersigned, has read and accepts the terms and conditions of this and is fully authorized to execute the within document on behalf of Organization, Corporation or Company, and acknowledges and agrees that it shall, to the fullest extent allowed by law, be effective.

AUTHORIZED REPRESENTATIVE

Mr. B's Fishing Camp COVID Plan

Health Director: Matt Buglovsky

1. Camp is held outside and is limited to 25 campers per week.
2. All campers and staff will be screened prior to camp using a non-touch infrared forehead thermometer. All screening processes will take place at a designated station. The station will be set up near a bench in between the parking lot and fishing area. Any camper that has a fever of 100.4° or above will not be allowed to attend camp.
3. Additionally, campers and staff will be asked several questions prior to entering camp regarding COVID symptoms (are you experiencing fever, chills, cough, shortness of breath, difficulty breathing, fatigue, diarrhea, headache, sore throat, or body aches). Results will be documented daily. Campers that don't have a fever of 100.4 or above and aren't experiencing any of the symptoms above will be allowed to enter the camp and proceed to the fishing area.
4. All campers and staff will be questioned and monitored regarding out of state travel. Unvaccinated travelers and residents returning from any U.S. state or territory beyond the immediate region (New York, Connecticut, Pennsylvania, and Delaware) should self-quarantine for 10 days if they are not able to get tested or 7 days if they test negative.
5. Campers are required to bring a chair to camp to act as a "home base" for each camper.
6. Each camper is required to have a face covering to bring to camp. If a camper does not have a mask, one will be given to them.
7. Campers do not need to wear the face covering while fishing, as campers will be spread out 6 feet or more.
8. Campers must wear masks when entering/leaving camp and if they cannot properly social distance, unless due to medical reasons, that would inhibit the individual's health.
9. Campers are responsible to bring their own equipment to camp including their fishing pole and chair.
10. Staff members will be using face coverings at all times.

11. The camp director will hold a counselor training session for staff prior to camp starting. The training session will cover the basic principles of first aid, infection control, and Covid signs and symptoms.
12. Email sent to parents prior to camp starting regarding our safety measures, which include staying home if child is not feeling well, protocols on wearing face coverings, and avoidance of touching face at camp.
13. Hand sanitizer will be available for each camper to use when necessary. Additionally, disinfecting wipes will be on hand during this camp.
14. No items at camp will be shared, including all equipment.
15. Camp is limited to campers only, no parents or visitors allowed.
16. Any camper that happens to not feel well while at camp will be isolated and picked up immediately.
17. Groups of campers will remain unchanged day to day.
18. Campers will be dropped off and picked up using two different locations each day.
19. Campers and staff will be required to abide by the gatherings/limitations Order in effect at the time of competition, along with NJDOH Guidance for Sports, Administrative Orders, and any other directives in place.
20. All participants must bring their own water as water will not be provided.
21. This program will cooperate with the local health department regarding contact tracing. Records will be maintained of each player for contact tracing purposes.

**BOROUGH OF WATCHUNG
RESOLUTION: R8**

URGING THE SWIFT PASSAGE OF S-330/A3804, WHICH SHALL RESTORE THE ENERGY TAX RECEIPTS TO MUNICIPALITIES

WHEREAS, taxes on gas and electric utilities were originally collected by the host municipalities to be used for local purposes and to compensate the public for the use of their rights of way; and

WHEREAS, when the State made itself the collection agent for these taxes, it promised to dedicate the proceeds to municipal property tax relief; since, just as municipalities collect property taxes for the benefit of school districts, counties, and other entities, the State is supposed to collect Energy Taxes for the benefit of municipal governments; and

WHEREAS, for years, though, State budget makers have diverted funding from Energy Taxes to fund State programs; and instead of being spent on local programs and services and used to offset property taxes, the money has been spent as successive Legislatures and Administrations have seen fit; and

WHEREAS, the diversion of dedicated energy tax receipts to the State's General Fund further jeopardizes this critical property tax relief funding in future years; and

WHEREAS, by reducing Consolidated Municipal Property Tax Relief Act (CMPTRA), which is also comprised of revenues that should be returned to municipalities, State Budget makers have been able to continue collecting Energy Taxes, while keeping additional revenue that should have been returned to provide property tax relief; and

WHEREAS, the cumulative impact of years of underfunding has left many municipalities with serious needs and burdensome property taxes; and

WHEREAS, local elected officials are in the best position to decide the best use of these resources, which were always intended to fund local programs and services; and

WHEREAS, Senator Singleton and Senate President Scutari have introduced legislation (S-330) that will restore, over a five-year period, Energy Tax Receipts to municipalities;

NOW, THEREFORE, BE IT RESOLVED, that the Council of the Borough of Watchung in the County of Somerset urges the Legislature to swiftly pass this legislation and Governor Murphy sign the legislation prior to passage of the FY2023 State budget; and

BE IT FURTHER RESOLVED that a copy of this Resolution is forwarded to Senate President Scutari, Assembly Speaker Coughlin, Governor Murphy, and the League of Municipalities.

assignment, all personnel will be under the direct supervision and control of supervisor from the SCPO.

8. Personnel assigned to the Fire Investigation Unit shall be subject to all SCPO rules, regulations, policies and procedures.
