

Help Save Our Sewers

What N T to Flush!

PLEASE DO NOT FLUSH:

- **Diapers, disposable or not!**
- **Fabrics of any type (i.e. old rags, loofahs)**
- **Cat litter. Cat litter should be placed into the trash can**
- **Wipes that are "flushable" or not.**
- **Beauty and cleaning wipes included**
- **Medication or the bottles, syringes, etc.**
- **Toys or other plastic items**
- **Body oils and/or cosmetic products**
- **Bandages or labels**
- **Paper Towels**
- **Tooth Brushes**

These products are detrimental to the environment and can pollute our water supply!

They can cause pressure and blockages in the sewer system, causing untreated waste to overflow into homes and businesses!
