

\$2 Per Bag Charge Will Not Be In Effect

Earlier this year a decision had been made to continue to pick-up leaf bags with residents being charged a fee of \$2.00 for each bag. An article appeared relevant to this subject in the Borough Newsletter that residents recently received. This decision has since been modified by the Borough Council and there will NOT be a \$2.00 per bag charge this leaf season (2015) . Any questions, please contact the Department of Public Works at 756-0080, ext. 214.

Thomas E. Atkins, Borough Administrator For the Borough Council
