FROM YOUR MAYOR

On June 18th 2020, I established an AD HOC Committee of the Council to first investigate complaints of racism and discrimination in Watchung, along with gathering statistics, policies, procedures, statutes, rules, and regulations for all departments and operations in the Borough of Watchung.

The AD HOC Committee will gather Borough-WIDE comments, issues and recommendations from residents at the 5 district meetings to use in formulating a plan to ensure inclusion diversity and equality in all aspects of the Borough of Watchung. This will include forming a regular Council Committee with community members and key persons from the Borough to advise the Mayor and Council on methods to improve and monitor the achievement of established objectives.
