

Project Alerts

Somerset Street - Gas Main Replacement

Attention!

Construction is set to start on
Monday, October 10th.

PSE&G will be replacing old gas pipes on Somerset Street with new piping – in an effort to provide the continued safety and reliability of your gas service.

As with any construction project, you may experience an increase in traffic, loud noise, and presence of heavy equipment and machinery.

If anyone in the household has a serious medical condition that may be aggravated by an interruption in gas service, please contact us immediately at 1-800-436-7734 (PSEG).

PSE&G gas construction hotline number for residents/businesses is 1-833-661-6300.

Gas website is www.pseg.com/gaswork
