I/WE, shall mean the following:

An INDIVIDUAL: Name: Mary Ellen Weaver *MEW* 6/7/2022

ORGANIZATION: Name: _____

I/WE have requested the use of a Borough of Watchung Field, Facility and/or Park for a PROGRAM and in consideration of the use of the Borough Field, Facility, and/or Park, I/WE, the undersigned agree to assume all risks of the Program and agree to indemnify and hold the Borough of Watchung and its officers, agents, and employees harmless from any and all liability, claims, costs, and attorney's fees arising out of the use of the Borough Property.

I/WE acknowledge that the Pandemic Illnesses: (1) are highly contagious and may cause serious permanent bodily injury, including death, of healthy persons of all ages; (2) are subject to changing recommendations on limiting risk of exposure and spread; (3) remain prevalent throughout New Jersey; (4) are highly likely to spread to persons in direct contact with or in close proximity to (within about 6 feet) an infected person; (5) believed by the CDC/NJDOH to spread by droplets produced into the air when an infected person coughs, sneezes, talks or otherwise moves air out through their nose and mouth, and from touching surfaces on which droplets containing the virus exist.

I/WE further acknowledge that operation and implementation of the PROGRAM may pose an inherent and heightened risk of exposure, infection and bodily injury from the Pandemic Illnesses regardless of preventative measures taken by the Borough of Watchung.

By signing this ACKNOWLEDGEMENT, WAIVER, INDEMNIFICATION AND HOLD HARMLESS, I/WE on behalf of ourselves, the PROGRAM PARTICIPANT(S) and other members of their household, voluntarily agree to assume all of the foregoing risks, and do accept sole and complete responsibility for any and all injuries, damage(s) and other losses to the PROGRAM PARTICIPANT(S), and other members of their household for attending or participating in the PROGRAM, including for all bodily injuries, disabilities, permanent disabilities, deaths, illnesses, damages, losses, claims, demands, liabilities, medical treatment and expenses, attorneys' fees, costs of suit and/or expenses of any kind that is incurred in connection with attending or participating in any PROGRAM.

This ACKNOWLEDGEMENT, WAIVER, INDEMNIFICATION AND HOLD HARMLESS does not supersede, circumvent, or cancel Borough of Watchung Recreation Department's Rules and Regulations relating to the use and/or rental of the Borough Field, Park or Facility.

If any part of this ACKNOWLEDGEMENT, WAIVER, INDEMNIFICATION AND HOLD HARMLESS is found by a court of competent jurisdiction to be invalid, the remainder of this WAIVER release from liability shall nevertheless remain in full force and effect and the offending provision or provisions severed here from.

RE: FIRE ENGINE DONATION

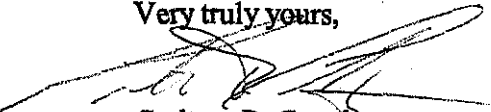

Dear Assistant Chief Pivnichny:

We are very excited to hear about the possibility of your department donating an engine to On Angels' Wings. If donated, this engine will go directly to the Dominican Republic, to the City of La Vega under the command of General Cesar Abreu. I am enclosing a letter from him that contains additional information. By sending the engine to him, we will eliminate any third party fees and are assured that it goes directly to the intended party. Cesar Abreu was appointed as General of the fire brigade for the country of the Dominican Republic earlier this year.

Donations from departments like yours are vital to countries such as the Dominican Republic since they do not have any manufacturing or distribution companies in their countries. Also, it is extremely expensive to get equipment in their country, so this donation would help to relieve them of that burden. Donations like this helps On Angels' Wings to touch our brothers and sisters around the world to help protect their communities. Thus far, in addition to assisting the Dominican Republic, we have given aid to Panama, Colombia, Ukraine and Nicaragua, to name a few.

We look forward to hearing from you. If you should have any other questions, please do not hesitate to contact me

Very truly yours,

Carlton. R. Crawley

Dear Assistant Chief Pivnichny:

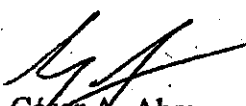

Our common friend C.B. Carlton Crawly has informed us that your Fire Department are looking to send to a new home a 1986 Pierce Dash Pumper with a 2250 gallon tank. In that respect, taking into account the above, we appeal to your generosity by considering the possibility of donating it to our Fire Department, which has the responsibility to serve and protect our municipality with a population of 54.04 Km² (20.53 square miles). The number of dwellings is 77,253.

As you can imagine, our available resources are limited, so is our equipment which is mainly composed of donations from other Fire Department and rebuilt apparatus, due to that, at this time we are in great need of a fire truck like the one you are ready to send to a new home and we will be much willing to provide it.

Finally, if you consider making a donation to our Fire Department we will cover all the expenses required to send it to the Dominican Republic.

Hoping to hear from you and thanking you in advance for your time and consideration, we remain,

Respectfully your,

Re: **Borough of Watchung
FY 2020 & FY 2021 NJDOT Trust Fund "Fuel Price" and "Asphalt Price" Index Adjustment,
Recommendation for a Proposed Change Order No. 1**

Dear Mr. Damato:

As you are aware, J A Alexander, Inc., the contractor for the above captioned project intends to mobilize on or about June 17, 2022 to start construction. The contract includes provisions for "Fuel Price", and "Asphalt Price" Index Adjustments, which have been escalating at a high rate / percentage over the last several months, the magnitude of the increases and monthly escalation in these indices are totally unforeseen.

The NJDOT's 2019 Standard Specifications for Roads and Bridges requires the contractor to obtain permission from the "Owner" to perform certain specific work items if:

- The monthly Fuel Price Index increases by 50 percent or more over the basic fuel price index. The contractor has formally requested to proceed with the project.
- The monthly Asphalt Price Index increases 50 percent or more over the basic asphalt price index. The contractor has formally requested to proceed with the project.

The "Base Line Index" for this project is based on September 2021, which was \$3.26. As of June 2022, the Fuel Price Index is \$5.46. This represents a 67.48% increase.

The "Asphalt Base Line Index" for this project is also based on September 2021, which was \$509.00. As of June 2022, the Asphalt Cement Index is \$750.00. This represents a 47.35% increase.

Analysis of the bid quantities based on June 2022 index values indicates an increase of approximately \$57,200.00 for the "Fuel Price" adjustment, and approximately \$50,400.00 for the "Asphalt Price" adjustment. This represents a total current contractual increase of \$107,600.00. However, since the project is not completed, we anticipate / approximate a 5% per month increase in the indices to give the Borough a better approximation where the cost will be at the project's completion. Accordingly, we estimate and recommend the Borough allocate and approve \$112,980.00 for the project which we anticipate will be completed in July 2022. This would represent an approximated 19.3 % increase in the current construction contract for the project.

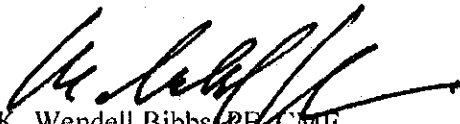

Fuel and Asphalt Index Price Adjustments and Change Orders

Please be advised that change order(s) which exceed 20% of the original contract amount are governed by the procedures outlined in N.J.A.C. 5:30-11.9. Our office defers interpretation of this statute and associated procedures to the Borough Solicitor's office.

It is our recommendation that the Borough approve this proposed Change Order No. 1, so that the contractor can be authorized to complete the construction project.

If you have any questions or require additional information, please contact Mr. Jason Cline of our offices at (732) 955-8000 ext. 1703.

LIGHTNING PREDICTION SYSTEM
(THORGUARDIAN)

The Borough of Watchung has an automatic lightning prediction and warning system in continuous use referred to as the Thorguardian. This unit is located at the top of the Snack Shack at Phillip's field. The sensor monitors energy as far as 15 miles and evaluates the potential for lightning within an area of approximately two miles in radius. When the unit senses a hazardous condition, the system automatically provides both audible and visual alerts. When a dangerous condition exists a warning blast will occur and the amber light will flash.

THE FIELDS MUST BE CLEARED IMMEDIATELY WHEN THE SOUND ALARMS

The light will continue to flash until the dangerous condition no longer exists.

Please review the following safety points with your organization leasers and participant:

1. Do Not seek shelter under a tree
2. Do Not seek shelter on the snack shack deck
3. Do Not seek shelter in a dugout by a metal fence

The Thorguardian prediction system is only a supplementary source of guidance. Should thunderstorm conditions develop, and the system is not activated, use good judgment and seek shelter.
