## Prior meeting minutes

No changes requested - to be posted on web site

## Follow-ups from prior meeting

- Community Garden
  - Wendy/Kim/Charlie - We would need to remove the black top from Camp Endeavor before putting in a garden. Would we qualify for points if we just remove the black top per DEP requirements for cleaning up the site?
  - Kim – will check to see if Bayberry is putting in a vegetable garden. Wendy said there was a Rain Garden put in Best Lake but it had to be removed because they did not have the proper permits. The plan had been to reimplement the Rain Garden at Bayberry.
  - Kim will take the lead for the community Garden
- Wendy – The resolution was passed. Wendy will get the signed documentation
- Community Education outreach – Peggy not present
- Denise – still needs to follow up with Carolyn on OEM points

- Charlie to speak with Rachel F. (carry over item from 3/2/21 meeting)
  - Charlie to follow up
- Wendy – Police agreed to run a Prescription collection at the Police Station on April 24<sup>th</sup> 10-1. (still firming up details) Will get documentation.
  
- Green Fair
  - Paper shredding,
  - Susan/Wendy - Police agreed to do prescription collection for a few hours if fair at High School
  - Need to settle on Location – discussed Watchung High School and Warren Municipal Grounds
  - Susan – under the impression that Warren would not allow volunteers participate in-person. Wendy suggested to discuss with Kevin Sumner. 70% of population would be vaccinated by the end on May – higher percentage by Sept. This may affect Warren partnering with Watchung on Green Fair. Suggested that the Warren and Watchung councils consult on decision.
  
- Farmers Market – council is excited about having a Farmer’s Market. Possible location at the Police Parking lot will be a good location. Will need to organize venders. Daryl reached out to Charlie and wants to work on farmers market. Possibly at the Police Parking lot.
