Ms. Taylor,

We are working with the Watchung Borough School District on an upcoming referendum project. One of the projects to be included is the addition of a new storage building on the grounds of the Valley View School.

As part of the New Jersey Department of Education (NJDOE) approval process, the NJDOE requires that public school districts submit to the planning board when projects involve new construction. On behalf of the School District, Design Resources Group Architects, AIA is submitting the above referenced project to the Borough of Watchung Planning Board for review.

Please find the enclosed preliminary plans and application and for review. We understand that per Mr. James Damato, the Borough Administrator, the \$35.00 application fee has been waived. We are respectfully asking the following from the Borough of Watchung.

1. Waiver of Planning Board appearance by the Technical Review Committee given the (small) scale of the project; the project footprint is approximately 600 square feet.
2. Reserve a spot on the next Watchung Planning Board agenda if required - and provide the Board members a cursory review of the project for their input (as public schools are not bound by the same zoning rules as other use groups).

If you have any questions or need any additional information please contact Frank Bowlby in our office, he can be reached in the office at 732-560-7900 X205.

Thank you,

Patrick S. Seiwel, A.I.A.
